Acting Chairman Thomas C. Ada called the public hearing on Bill No. 104-33 (LS) to order at 6:00 P.M. and invited the main sponsor of the bill to provide remarks.

Senator Frank F. Blas, Jr.

Mr. Chair, Bill 104-33 (LS) brings together two entities, which I believe basically have similar responsibilities. Bringing them together, without losing responsibilities, folding them into one entity, is taking the Agency for Human Resource Development and putting under the umbrella of the Department of Labor. It will establish what continues to provide services. Mr. Chair, as we move forward with the many plans for economic and human resource development, and need for continued education for individuals for jobs and provide jobs everyone can be proud of. This is a necessary step that will provide a better product for the people and the community it serves. I appreciate working with many individuals in the community especially those who work in these agencies who have helped draft this legislation. This would help provide for a stronger Department of Labor. Thank you.

Acting Chairman Thomas A. Ada called the first panel to testify.

Maria Connelley (*Please see attached for written testimony.*)

Joann Waki Muna (*Please see attached for written testimony.*)

Acting Chairman Ada thanked the panel for testifying and the senators present at the hearing.

Bill No. 104-33 (LS)

Introduced by:

2015 MAY 27 PM 2:21

AN ACT TO REPEAL 19GCA CHAPTER 22; TO REPEAL 5GCA §3120 AND
ADD A NEW ARTICLE 3 TO 22GCA DIVISION 1 CHAPTER 1 DEPARTMENT OF
LABOR.

1 **BE IT ENACTED BY THE PEOPLE OF GUAM:**

2 **Section 1. Legislative Findings and Intent.** *I Liheslaturan Guáhan* finds that the
3 Guam Department of Labor's purpose is to foster, promote and develop the welfare of wage
4 earners on Guam, to improve their working and living conditions, and to advance their
5 opportunities for occupational training and profitable employment. Further, the Agency for
6 Human Resource Development (AHRD) is responsible for the coordination of manpower needs,
7 assessment and employment programs funded under the provisions of local and federal statutes
8 as well as to administer workforce development programs and to seek, apply and otherwise
9 obtain federal, private and other funds for use in manpower and other programs. *I Liheslaturan*
10 *Guáhan* further finds that responsibilities of the Department of Labor and of AHRD seem to
11 overlap in areas related to employment assessment and training. In other jurisdictions and in the
12 federal system, the Department of Labor tends to be the lead umbrella agency for all manpower
13 development, employment assistance and work related regulatory enforcement. *I Liheslaturan*

1 *Guåhan* believes that a more cohesive and focused effect may be gained by manpower and
2 employment programs being administered under one department. The Governor, in Executive
3 Order 2015-01, has moved in this direction by placing AHRD under the administrative
4 supervision of the Department of Labor. It appears that previous legislatures envisioned the
5 need to change the nature of AHRD by including a provision in law which causes AHRD to
6 cease to exist if the agency... “is not selected or authorized to administer any federal or local
7 programs...”. The transfer of administrative supervision of AHRD to the Department of Labor
8 may be construed by some as AHRD no longer being authorized to administer federal programs
9 on its own, thus ceasing to exist under statute. However, such programs still exist under the
10 administration of the Department of Labor so the resources possessed by AHRD may be needed
11 by the Department to continue providing the services funded by those federal programs. To
12 ensure that existing employees of AHRD are minimally impacted, *I Liheslaturan Guåhan* finds
13 that establishing a corresponding division within the Department of Labor is appropriate to
14 receive such resources.

16 **Section 3. 5GCA §3120 is hereby repealed.**

17 **Section 4. A new Article 3 is hereby added to 22GCA Division I Chapter 1 to read:**

Dear Senator Respicio:

Thank you for the opportunity to comment on Bill No. 104-33 and I too firmly believe that a more cohesive and focused effect may be gained by manpower and employment programs being administered under one department, the Guam Department of Labor.

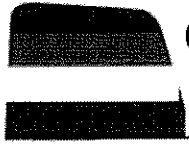

Bill No. 104-33 provides innovative strategies to keep pace with changing economic conditions, employment and training services that are responsive to the demands of our employers. It provides a single location for individuals seeking employment and training services, thus making the process of locating and accessing employment, employee development and training services more efficient and seamless.

Establishing a Division of Workforce Development and Training within the Department of Labor to absorb the Agency for Human Resources Development (AHRD) is in line with President Barack Obama's Workforce Innovation and Opportunity Act (WIOA) signed into law on July 22, 2014. WIOA is designed to strengthen and improve our nation's public workforce system and help get Americans back to work, including youth and those with significant barriers to employment, into high quality jobs and careers, and helps employers obtain skilled workers.

In concert with WIOA, Bill No. 104-33 aligns workforce development programs with economic development and education initiatives, enables employers to identify in-demand skills, and helps job seekers and workers acquire the skills they need to be competitive. Most importantly, Bill No. 104-33 enhances program coordination, streamlines service delivery, improves services to employers, aligns programs across common goals, and increases accountability and transparency.

Respectfully,

Maria S. Connelley

- **Subject: Comments on Bill No. 104-33**

Dear Senator Respicio:

Thank you for the opportunity to comment on Bill No. 104-33.

President Barack Obama signed the **Workforce Innovation and Opportunity Act (WIOA)** into law on July 22, 2014. WIOA is designed to help job seekers access employment, education, training, and support services to succeed in the labor market and to match employers with the skilled workers they need to compete in the global economy. The enactment of WIOA provides opportunity for reforms to ensure the American Job Center system is job-driven—responding to the needs of employers and preparing workers for jobs that are available now and in the future. WIOA supersedes the Workforce Investment Act of 1998 and amends the Adult Education and Family Literacy Act, the Wagner-Peyser Act, and the Rehabilitation Act Amendments of 1998.

Federally funded programs under Titles I, II, III, and IV administered by State recipients are encouraged to reform their workforce delivery and service designs that is in line with the intent and spirit of WIOA. Additionally, programs such as Housing, NAP/SNAP, and other workforce related funded programs all cater to the same population of individuals seeking to become self-sufficient are all considered and identified as part of the workforce ecosystem. The approach of a wrap-around and holistic service delivery is key to the success of individuals and employers alike. Programs working in "silo or stand-alone" are not recognized as practical nor aligned to the intents of the Workforce Investment Act of 1998 now superseded by WIOA.

Bill No. 104-33 to merge AHRD with GDOL is aligned with the nation's call with the enactment of WIOA. Prior to WIOA, the CNMIs Workforce Investment Agency Program was merged under the CNMI Department of Labor through the CNMI Governor's Executive Order 2013-17. This merger achieves the very purpose and intent of a seamless workforce service delivery design by unifying subsidized employment and training programs with collaborated and leveraged employment services administered by State Department of Labor.

I fully support the approval of Bill No. 104-33 which is in the best interest of those that are being served, individuals and employers alike. A unified delivery of workforce development and employment services has been the intent and spirit of the Workforce Investment Act of 1998 and now similarly the same intent under the newly enacted Workforce Innovation and Opportunity Act which becomes effective July 1, 2015 that will serve the needs of those in our respective islands but also our regional island communities.

Sincerely,

PROVIDE that if any provision of this Executive Order or the application of any such provision to any person or circumstance should be held invalid by a court of competent jurisdiction, the remainder of this Executive Order or the application of its provisions to persons or circumstances other than those to which it is held invalid shall not be affected thereby.

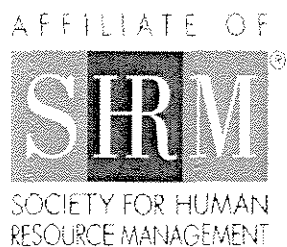

PROVIDE that in accordance with the Constitution, this plan shall become effective sixty days after submission to the Legislature, unless specifically modified or disapproved by a majority of the members of each house of the Legislature, provided,

that in case it shall appear to the Governor that the interest of economy or efficient management require that the transfer be delayed beyond the date this plan becomes effective, the Governor may, in his discretion, fix a later date therefore, and he may for like cause further defer such date from time to time.

Bill No: 104-33 – An act to repeal 19GCA Chapter 22; to repeal 5GCA §3120 and add a new Article 3 to 22 GCA Division 1 Chapter 1 Department of Labor.

Good Evening Senators. My name is Joann Waki Muna and I am the Society for Human Resources Management (SHRM) Pacific Council State Director (Guam and NMI). I am also a Past President for SHRM Guam. The Society for Human Resource Management (SHRM) was founded in 1948, the Society for Human Resource Management (SHRM) is the world's largest Human Resource (HR) membership organization devoted to human resource management. Representing more than 275,000 members in over 160 countries, SHRM is the leading provider of resources to serve the needs of HR professionals and advance the professional practice of human resource management. SHRM has more than 575 affiliated chapters within the United States and the Pacific (Guam and NMI).

I am here today on behalf of the Society of Human Resources Management Guam Chapter to support Bill No: 104-33.

On July 22, 2014, President Barack Obama signed into law the "Workforce Innovation and Opportunity Act". This transforms the public workforce system by improving the links between diverse talent and the nation's employers. The law streamlines the coordination of employment and training services, strengthens collaboration with state and local partners, and provides Americans with increased access to work-based learning, including on-the-job training.

The key is streamlining. Early this year, SHRM Guam reached out to the Department of Labor and the Agency for Human Resources Development to work towards strengthening our workforces for the island. We were happy to learn that although the department and agency were separated by an

executive order, both are currently headed by one Director. This was not the case during the past few years. Having two different Directors heading the Department of Labor and the Agency of Human Resources Development resulted in a poor partnership with SHRM.

With the passage of the Bill No: 104-33 we believe that SHRM can effectively work with the Department of Labor towards a single unified plan for achieving the strategic vision and goals for preparing our workforce and for meeting the skilled workforce needs of employers.

RE: Bill 104-33

Hafa Adai Senator Rory,

Guahu si Michelle Taitano, Chairwoman of the Guam Parole Board. I hope this finds you, senators, your staff and families all doing well. Thank you to you, Senators Frank Blas and Jim Espaldon in bringing this bill thus far.

I am in support of Bill 104-33. It is a very logical move for the Guam Department of Labor to absorb the Agency of Human Resources and Development and then calling it the Division of Workforce Development and Training. This would further streamline our island government and allow overall services to channel through Guam Department of Labor.

Supporting Governor Eddie Calvo's goal to further develop our island's workforce, the Guam Parole Board has been working closely with the Department of Labor/AHRD in assisting parolees, those formerly incarcerated and those nearing release from the Department of Corrections in preparation for job placement, education and or training.

The Guam Parole Board, the Department of Corrections and the Department of Labor are currently in discussions to improve overall assistance and services by having at least a kiosk at the Parole Services Division. Another near future goal is to somehow provide a type of mini-DOL customer service center at the Department of Corrections in which inmates may have access to computers and on-line training through DOL's HireGuam.com website.

Please, I ask you and all the senators to support Bill 104-33. Dangkalu Na Si Yu'us Ma'ase Yan Si Yu'us Infanbenendisi!

Michelle Taitano

COMMENTS TO BILL No. 104-33 (LS)

AN ACT TO REPEAL 19 GCA CHAPTER 22; TO REPEAL 5 GCA §3120 AND
ADD A NEW ARTICLE 3 TO 22 GCA DIVISION 1 CHAPTER 1 DEPARTMENT
OF LABOR.

The intent of the bill is to eliminate the Agency for Human Resources Development (AHRD) as a Department of the Executive Branch of the Government of Guam by merging and renaming AHRD as the new Division of Workforce Development and Training under the Department of Labor (DOL). This proposed measure follows the Governor's Executive Order 2015-01 which places AHRD under the administrative supervision of DOL. Per information received from the Department of Labor/AHRD, the proposed bill "will help Guam to succeed in meeting the requirements of the Workforce Innovation and Opportunity Act (WIOA) recently signed into law by the U.S. Department of Labor's on July 22, 2014. The WIOA requires states to strategically align workforce development programs, develop and submit a four-year strategy in the form of a single unified strategic plan for core programs-for preparing an educated and skilled workforce and meeting the needs of the employers..." In regards to a fiscal impact, it was mentioned that there will be no additional cost impact to DOL's operating expenses. However, a fiscal impact will result under AHRD's fiscal and administrative section. These staff are currently 100% federally funded but are expected to be cost allocated between AHRD federal funds and DOL local funds as a result of the proposed merge. All other DOL/AHRD employees payroll account will remain status quo.

Based on the above noted and absent additional information from DOL, the Bureau makes the assumption on four (4) positions (mentioned by AHRD to be impacted) who will be cost allocated at fifty percent (50%) Federal and Local funds. As such, the table below reflects the estimated additional local fund impact to Salaries and Benefits based on 5.8 pay periods remaining (ppr) for FY15 at \$22,234. Also, the total annual estimated local impact commencing FY16 at \$99,666 (FY17-FY19 on the Fiscal Note form reflects an annual increase of 3% for increments and any other benefit adjustments that may result). Based on the foregoing, the noted impact may have to be absorbed by the Department of Labor's current and future operating budgets.

Position Title	Current Salary	Local Percentage (estimated)	FY 2015 Requirement (estimated at 5.8ppr inclusive of benefits at 31.30%)	FY 2016 Annual Requirement (inclusive of benefits at 31.30%)
Administrative Services Officer	\$50,328	50%	\$7,371	\$33,040
Administrative Assistant	\$31,076	50%	\$4,551	\$20,401
Payroll Clerk II	\$29,650	50%	\$4,342	\$19,465
Budget Analyst (Vacant)	\$40,762	50%	\$5,970	\$26,760
Total	\$151,816	50%	\$22,234	\$99,666
