## II. SUMMARY OF TESTIMONY & DISCUSSION.

### **Chairman & Sponsor, Senator Dennis G. Rodriguez, Jr.**

What this bill does ladies and gentlemen is last term we had passed a law that required that the coverage of health insurance for foster children be part of the Government of Guam Health Insurance negotiating team and so what has happened is that the team has come forward and discussed the difficulties in having the foster children part of this health negotiations for the entire

## SENATOR DENNIS G. RODRIGUEZ, JR.

Government of Guam active employees retired and their dependents and so there was consensus in the hearings that we had in the efforts to put foster children in this plan to ensure that foster children of course are received the access to health care that's necessary but then you know we wanted to ensure that perhaps instead of putting into the health negotiations entire government that it would be carved out and so what this Bill does is carve it out and have the Department of Public Health and DOA go on a separate request for proposals for the coverage of foster children by Private Health Insurance companies and so there has been written testimonies provided to the committee, we'll keep it open as well and have a markup meeting if need be. Yes Senator Aguon.

### Senator Frank B. Aguon, JR.

Mr. Chairman if I may just comment on that, just taking a look at the proposal. I think it's good that you're looking at the option of allowing for separate solicitation but if I can just make a recommendation that it be either or an option be extended and whichever is more reasonable in terms of the benefits as well as the cost to the Government Guam would be chosen by Public Health and that way right now we have I believe 30 Foster children who are in the program, now if that number escalates to fifty, it may reduce the costs. If that number is reduced to 15 then it may increase the costs on behalf of the Government of Guam, so if I can just make that suggestion in that regard so that at the end of the day you're absolutely right its making sure that they have Health Insurance, Medical Insurance and in the same token we go with the cost that would be as affordable to the people of Guam. Thank you Mr. Chair.

### Chairman & Sponsor, Senator Dennis G. Rodriguez, Jr.

Thank you very much Senator Aguon and so we do have testimony provided by Department of Public Health and also there in a position that currently the public assistance programs that are available are indeed able to cover and provide coverage for these children even with the new development that private providers are again accepting our public assistance program and so we will definitely be able to have markup on this and see what best course of action would be ultimately of ensuring that coverage for our foster children. Thank you very much Senator Aguon.

There being no other testimony, or comments by Senators, Chairman Rodriguez declared the bill as having been heard, and concluded the public hearing on Bill No. 12-33(COR).

**AN ACT TO ADD A NEW ITEM (1) TO SUBSECTION (a) OF § 4301 OF ARTICLE 3, CHAPTER 4, 4 GCA, TO PROVIDE FOR THE ISSUANCE OF A SEPARATE REQUEST FOR PROPOSAL FOR THE SOLICITATION OF HEALTH INSURANCE OR PROVISION OF HEALTH CARE FOR FOSTER CHILDREN IN THE CARE OF THE GOVERNMENT ON TERMS COMPARABLE TO THE GOVERNMENT PLAN FOR ACTIVE AND RETIRED EMPLOYEES AND THEIR DEPENDENTS.**

2015 JUN -5 PM 2:27 

1        **BE IT ENACTED BY THE PEOPLE OF GUAM:**

2        **Section 1. Legislative Findings and Intent:** *I Liheslaturan Guåhan* finds  
3 that the provision of healthcare insurance coverage those foster children under the  
4 legal custody of the Child Protective Services Division of the Department of Public  
5 Health and Social Services, as provided pursuant to Article 3 of Chapter 4, 4 GCA  
6 (P.L. 32-189), is appropriate. As a practical matter, however, is may be more  
7 appropriate that the solicitation for health care insurance coverage be obtained  
8 under a separate *Request for Proposals*, and managed under a separate contract  
9 agreement.

10        Unlike the government of Guam Group Health Insurance Plan members, the  
11 foster children will have one hundred percent (100%) of all costs covered by the  
12 government. Further, foster children will be continually added and removed from  
13 plan coverage as their custody status changes. Tracking of varying costs and  
14 membership will be more problematic if co-mingled with the Government of  
15 Guam Group Health Insurance Plan for active employees, retirees and dependents',

1 who remain on their selected plan for the entire fiscal year, and for which the  
2 government has a known fixed cost only for its share of the members' premium.  
3 Copayments and deductibles remain solely the responsibility of the member.

4 It is, therefore, the *intent* of *I Liheslaturan Guåhan* to authorize *I Maga'lahi*  
5 to obtain health insurance coverage for foster children under a separate request for  
6 proposals, provided however, it contains the same desired scope of coverage  
7 benefits as is sought for active and retired employees of the government of Guam  
8 and their dependents.

9 **Section 2.** A new Item (1) is hereby *ADDED* Subsection (a) of § 4301 of  
10 Article 3, Chapter 4, Title 4, Guam Code Annotated, to read:

11 “(a) *I Maga'lahi* (the Governor) is authorized to enter contracts and reject  
12 proposals, with the written concurrence of the Speaker of *I Liheslaturan Guåhan*  
13 (the Guam Legislature) or the Presiding Judge of the Superior Court of Guam  
14 whose consents may be withheld in their sole discretion, with one (1) or more  
15 insurance companies, authorized to do business in Guam, for group insurance,  
16 including, but not limited to, hospitalization, medical care, life, and accident, for  
17 all employees or separate groups of employees, and foster children, of the  
18 government of Guam. If the Legislative or Judicial Branches of government elect  
19 to enter into separate contracts for their employees as authorized in § 4301(c), *I*  
20 *Maga'lahi shall* obtain the written concurrence of the Branch electing to remain  
21 with the Executive Branch before the group insurance contract is entered into or a  
22 proposal rejected. The government *shall not* be construed as an agent of any  
23 insurance company in negotiating or administering this group insurance program.  
24 Health benefits provided under this authority may be self funded and administered  
25 by a third party if it is determined to be cost-effective.

1           (1) Notwithstanding any provision of law, rule, regulation or this  
2 Article 3, I Maga'lahi shall be authorized to issue a separate Request for  
3 Proposals (RFP) for an exclusive medical and dental group health insurance  
4 plan for foster children. The desired terms and scope benefits of the  
5 requested exclusive medical and dental insurance plan in the RFP shall be  
6 the same as those requested in the RFP for active employees, retirees and  
7 dependents of the Government of Guam Group Health Plan. Should I  
8 Maga'lahi elect to issue a separate RFP pursuant to this Item 1, then, the  
9 Chief Administrator of the Division of Public Welfare of the Department of  
10 Public Health and Social Services, or his or her designee and the Director of  
11 the Department of Administration, or his or her designee shall develop the  
12 request for proposals, publish it, rate the best three (3) offerors and  
13 subsequently negotiate a single contract for the healthcare coverage under an  
14 exclusive contract plan for those foster children under the legal custody of  
15 the Child Protective Services Division of the Department of Public Health  
16 and Social Services.

17           All benefits and provisions of coverage for foster children pursuant to  
18 this Article shall be applicable.”

19           **Section 3. Severability.** If any provision of this Act or its application to  
20 any person or circumstance is found to be invalid or contrary to law, such  
21 invalidity shall not affect other provisions or applications of this Act which can be  
22 given effect without the invalid provisions or application, and to this end the  
23 provisions of this Act are severable.

24           **Section 4. Effective Date.** This Act shall become immediately effective  
25 upon enactment.

RE: Bill 12-33 Health Insurance for Foster Children

Dear Senator Rodriguez:

I believe I prepared testimony during the last Legislature relative to adding Foster Children to the Government of Guam Health Insurance Plan. I was in favor of that approach, but this bill causes concern.

If you carve this group out of the larger group, premiums may become unaffordable. I assume the term Foster Care Children includes those already placed with Foster Parents and those in our custody in group homes.

Some of our children have medical and developmental conditions that may make them what is known as high risk in insurance terms. That means that they are more likely to access health services and that these services may be very expensive in some cases. If you attempt to negotiate a package of benefits specifically for this small group, the premiums may be quite high. If you include them in the larger group (the Government Employee Health Plan) the premium would be lower. Either way, the Government will pay the premiums. I also believe that I had stated earlier, that inclusion of non-Government eligible or Retiree eligible, may raise a legal question.

I am aware that one reason this approach was put forward was that our Foster Children are not getting access to care because they are covered currently by Medicaid or MIP. I am not sure where that uninformed opinion came from. Providers do accept Medicaid, our CHIP

program and MIP. Recently, a full service primary care clinic has opened its doors to these publicly supported plans. It makes sense to continue coverage for our Foster Children under these programs as the cost to the Government for Medicaid is 45% and the CHIP about 10%. Benefits in some areas are better than those in the Government Plan. In one recent case, we covered air transport for a neonatal case which will cost \$230,000.

Thank you for the opportunity to present testimony.

Should you have any questions, do not hesitate to call on me.

Very truly yours,

James W. Gillan

Dear Senator Rodriguez:

Thank you for the opportunity to testify on the aforementioned bill. While the intent to cover Foster Children with Private Health Insurance is reasonable, we caution the committee on the potential cost of developing an RFP, analyzing its merits, and ultimately having to enter into an agreement to cover what would be seem as a small and uncertain population. The preparation cost and the due diligence requirements may outweigh the benefit of covering these children under a separate plan.

We understand that there are around sixty-eight foster children under the care of the Child Protective Services and their medical needs may be better economically addressed if they are covered by the MIP program. In addition, if an RFP is issued, it would make more sense that it be done by the Department of Public Health. The scope of the RFP should be narrow enough to mitigate unnecessary administrative cost.

Section 2 of the proposed legislation may infringe into the powers provide by the Organic Act to the Governor of Guam, and it is somewhat ambiguous as it reference group insurance for the Government of Guam. We suggest a change in the language to ensure that it specifically reference the applicability of this section to coverage for Foster Children only.

As stated above, both the Foster Children and Tax Payers will be better served by extending coverage to this population under the MIP program. Please let us know of any questions that you may have.
