Re: Bill 299-33

Dear Senator Rodriguez:

This is to again express appreciation for the passage of Bill 46-33 now P.L. 33-18, that provides for certification pay adjustment to individuals who have earned the status as a Certified Public Accountant (CPA), Certified Government Financial Manager (CGFM), Certified Fraud Examiner (CFE) and /or other nationally recognized certifications. Four from my office including myself were adjusted accordingly. Now we have three staff studying for the CPA, CGFM or CFE exams.

Bill 299-33 attempts to clarify that only one certification pay may be given. We understand the limitation and support it. At OPA we have three individuals including me that could have qualified for multiple certification pay adjustments, 15% for the CPA and 10% for the CGFM. We chose not to implement the double certification pay although the Attorney General's opinion seems to authorize it.

Again thank you for recognizing these hard working individuals with these unique qualifications by providing the certification pay.

Senseramente

  
Doris Flores Brooks

The Bureau requests that Bill No(s), 299-33 (COR), be granted a waiver pursuant to Public Law 12-229 as amended for the following reason(s):

The intent of the proposed legislation is to repeal and reenact Section §6235 (d) of Article 2 of Chapter 6, Title 4, Guam Code Annotated, relative to clarifying the number of allowed certification pay incentive to Government of Guam line employees who have obtained Certified Public Accountant, Certified Government Financial Management, Certified Fraud Examiner, and Certified Internal Auditor Certification. Section §6235 was added by P.L. 33-18 which lapsed into law on April 14, 2015.

As currently written in Chapter 6, Title 4 GCA §6235 (d) all Government of Guam line agencies, Office of the Public Accountability, the University of Guam, and the Guam Department of Education employees who have obtained a nationally recognized certification as a Certified Public Accountant (CPA), Certified Government Financial Management (CGFM), Certified Fraud Examiner (CFE) or Certified Internal Auditor (CIA) shall be entitled to receive a one-time certification pay differential. However, the language in this section is vague and may result in pay adjustments in excess of what was intended by law.

The bill as written clarifies the total number of certification pay an employee is allowed to receive. Should an employee received more than one certification, the pay differential shall apply to a single certification, whichever is higher, and processed based on one of the certifications.

In its current form, the subject legislation does not pose a fiscal impact upon any funds of the Government of Guam.
