### II. TESTIMONY & DISCUSSION

**Chairwoman Michael San Nicolas** convened the hearing on the nomination of Ms. Cynthia Ecube. He yielded the floor to the nominee for her testimony.

**Ms. Cynthia Ecube** spoke about her previous experience as both a member and as chairperson of the Board of Equalization. She stated that her time on the Board has been educational as she was able to learn about the appeals process and the role of the Department of Revenue and Taxation in that process. She also spoke about the importance of land valuation and subsequent revaluation in Guam done by the government, the latter of which had not been done in more than 20 years. Ms. Ecube stated that her initial experience on the Board began with learning that the Board was six years behind with appeals and that they have since worked to bring the appeals. She explained some of the difficulties faced by the Board and the government in resolving appeals such as the downturn in the economy, the determination of property values, and lawsuits. Ms. Ecube stated that she has enjoyed her time on the Board and asked for favorable consideration from the Legislature on her nomination.

**Chairman San Nicolas** mentioned that his office has not received any concerns expressed from the public with regards to the work being done by the Board of Equalization. He expressed his support for Ms. Ecube and excitement that she accepted the opportunity to continue her service on the Board. He commended her legal background and commented on how it would benefit the operations of the Board.

**Senator Frank Aguon** commended the nominee for her willingness to continue serving on the Board. He spoke about her experience in the legal community and how her service as president of the Guam Bar Association demonstrates the confidence in her abilities from her peers. He thanked her and expressed his support for the nomination.

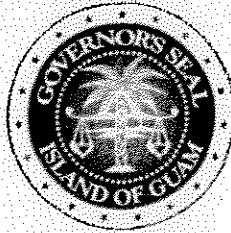

**Senator Mary Torres** commended the nominee for her involvement in the community and for displaying sensitivity to the community for the various issues she takes on. She spoke about the nominee's abilities and characteristics and how they are invaluable assets in whatever tasks she undertakes. She thanked her for her continued service to the government and expressed her support for the nomination.

**Ms. Ecube** thanked the senators for their comments. She stated that her service on the Board has taught her many things and has allowed her to be part of making improvements to the operations of the government in the area of property value and land valuation. She thanked the Legislature for consideration of her nomination.

**Chairman San Nicolas** thanked the nominee and adjourned the hearing.
