II. TESTIMONY & DISCUSSION

Chairman Michael San Nicolas convened the hearing on the nomination of Edelfrida Ada. He called the first panel forward, including Ms. Ada, to provide testimony.

Ms. Marie Benito read from a prepared statement (*see attached*). She spoke in favor of the nomination and mentioned the personal and professional relationship they have. Ms. Benito stated that the nominee's experience in the areas of insurance and banking, and her past service on the Board, will be beneficial for another term.

Mr. John Carlos submitted written testimony and spoke in support of the nomination. He pointed to the nominee's experience in the banking and insurance division at the Department of Revenue and Taxation. He stated that she was very helpful when he first began at the Department. Mr. Carlos stated that Ms. Ada, although retired, is still very knowledgeable with consumer issues which help the Department.

Ms. Edelfrida Ada stated that she was humbled to be nominated for another term. She mentioned that she was passionate about the work she does and thanked the Committee for conducting the hearing.

Senator Nerissa Underwood thanked the nominee for accepting the nomination. She stated that being part of a government board is community work that requires lots of time and dedication. She asked what issues would be addressed in the new Board.

Ms. Ada stated that she is open to addressing any issues that may come before the Board but is still interested in working on many of the current issues pending.

Senator Underwood asked what challenges, if any, were experienced in the previous term.

Ms. Ada stated that several issues were addressed during the term including the hiring of certified financial examiners to conduct examinations of insurance companies in Guam, questions about the licensing of federal credit union ATMs, and the approval of large insurance companies to be licensed in Guam.

Chairman San Nicolas spoke about the nominee's work experience in the division that the Board oversees. He asked if there were things that she would change within the division based on her experience.

Ms. Ada suggested that laws regulated by the Board and carried out by the division be updated. She said that there have been many improvements but many issues still need to be addressed. She mentioned the inadequate number of employees and advocated that more be hired.

Chairman San Nicolas spoke about his past experiences working with the banking and insurance division. He stated that the banking and insurance industries play an important role in the economic development of the island. Chairman San Nicolas mentioned that much of the infrastructure to improve operations already exists but other things need to be fixed, especially existing laws, to allow for maximum benefit. However, he cautioned that any changes to existing law must be carefully examined as the banking and insurance industries are heavily regulated. He stated that the nominee's institutional knowledge will be invaluable for another term and expressed his support for the nomination before concluding the hearing.

III. FINDINGS AND RECOMMENDATIONS

The Committee on Finance & Taxation, General Government Operations, and Youth Development hereby reports out the nomination of Edelfrida A. Ada to serve as a member of the Guam Banking and Insurance Board, for a term of six (6) years, with the recommendation

Re: Nomination of Edelfrida A. Ada, Member, Banking and Insurance Board

Dear Senator San Nicolas:

My name is John Carlos. I am the Regulatory Administrator of the Department of Revenue and Taxation (DRT).

Mr. Chairman, I fully support the confirmation of Edelfrida A. Ada to be a member of the Banking and Insurance Board.

Edelfrida A. Ada is known as Del by most employees at the DRT. I have known Del since 1987 when I started to work for the Insurance Securities Banking and Real Estate Branch of the DRT. I can vouch that as a Regulatory Examiner, Del is fair in her interaction with the public but firm in making sure that applicants for licenses for real estate and insurance comply with the law and regulations thereto. Del retired around 2005.

Del has been a member of the Banking and Insurance Board for six (6) years since 2009. She finds time to attend the board meetings. She votes what she feels is good for the protection of consumers and fair to the financial institutions

For all of the foregoing, I respectfully support the confirmation of Edelfrida A. Ada to be a member of the Banking and Insurance Board.

Sincerely,

JOHN CARLOS
Regulatory Administrator

Hafa Adai Mr. Chair, Senators and Members of the Committee

I support the nomination of reappointment for Delfrida (Del) Ada as a Board Member to the Insurance and Banking Board. I've known Del for over 30 years both professionally and personally. Del is a dedicated woman with high ethical standards. Del retired from the Insurance and Banking Division after 36 years, her expertise in Insurance and Banking is certainly helpful to the decision making or processes that have to be made. Del continues to be very active in her current role and her background makes her as asset to this Board. During the past few years, Del has contributed and was involved with several new policies, adopted rules when needed and is very vocal on issues.

Being a Board Member will not make you rich nor is it glamorous. We must appreciate and applaud these individuals who volunteer their time for these positions. Most of them hold full time jobs and have families but have graciously accepted the challenge and responsibility of overseeing the processes and policies that they're appointed to.

Del Ada has been on the Board for several years and has made great contributions based on her experience and knowledge; I strongly recommend her reappointment.

Marie M. Benito

Department of Revenue & Taxation
