### **II. SUMMARY OF TESTIMONY AND DISCUSSION**

**Speaker Won Pat, Ed.D.** stated that the Committee on Higher Education, Culture, Public Library and Women's Affairs will conduct a public hearing on: the Appointment of Tes Reyes-Burrier as a Member, Council on the Arts and Humanities Agency (CAHA), the Appointment of Francis J. Guerrero as a Member, Council on the Arts and Humanities Agency (CAHA), the Appointment of Eloy P. Hara as a Member, Guam Community College Board of Trustees.

**Speaker Won Pat, Ed.D.** mentioned that a 5 day notice was sent on June 3, 2015 and a 48 hour notice was sent on June 8, 2015 and that all testimonies should be addressed to Speaker Judith T. Won Pat, Ed.D. and will be accepted via hand delivery at the Speaker's office; Speaker's mailbox

at reproduction room of the Main Legislature Building at 155 Hesler Place, Hagatna, Guam 96910; or fbtorres@judiwonpat.com or through facsimile at 472-3589.

**Speaker Won Pat, Ed.D.** stated on record that written testimony was received by Bruce E. Pecon, Enrique C. Cruz, Deborah Belanger, and President Mary Okada.

**Speaker Won Pat, Ed.D.** called up Carmen Santos, CPA and Mr. Eloy P. Hara.

**Ms. Carmen Santos**, VP Finance & Administration at Guam Community College testified on behalf of Dr. Mary Okada, President of GCC. Her written testimony is appended to the committee report.

**Mr. Eloy P. Hara** also testified in support of his own nomination. He stated, "Thank you, Madam Speaker, for giving me this opportunity to testify on my own behalf for my nomination as board of trustee for Guam Community College." His written testimony is appended to the Committee Report .

**Mr. Eloy P. Hara** stated, "However, because in both my application and brief biography, there are details that are not incorporated but would add to being able to accomplishing my position as board of trustees. As an example, I've lived in 12 states of the United States and 10 different countries throughout my Navy career and my life. Most especially living in that many states in the United States, if you notice in my resume, I did 10 colleges and universities in practically every state that I lived in. So I have a very extensive know how a higher institution works and functions. This would be very helpful because wherever I've gone I've learned by listening and viewing and being a part of the institution. So another detail that is not in there is that I was a high school student in Guam in 1953. High school back then had a program called the Industrial Arts which comprised, and I took all the following courses: Basic Woodwork; Automotive Mechanic; Basic Electricity; Body and Fender, and I even took Home Economics. I was the only male student in a class of 30 girls taking home economics, cooking, sewing ironing, and things like that. So similarly the Guam Community College is an institution, too, that promotes that kind of basic knowledge apart from academia like the University of Guam. So I do have all of those backgrounds. Another thing, during my tour, with both the Guam Power and as the assistant general manager and also as the executive director of Guam Civil Service Commission, I not only revised and updated the Guam Power Authority's policy and procedures manual, which took me 2 years to accomplish, I also, when I was Civil Service's executive director, I guided and helped facilitate the update of Department of Administration's rules and regulation policies and procedures. It's something I took up on myself, with the permission of Department of Administration director, which was Bill Aflague at the time. So I do go out of my way and out of my so-called little fence when it was necessary for me to reach out and assist other agencies towards accomplishing work. And another part that is only shown in my resume is that I was a member of American Water Works Authority and attended their seminars, and conferences 4 times a year. And the American Public Power, Public Utilities Commission, also

under the APPA, I was a member of the executive management committee. We are the committee that actually scheduled all the conferences, seminars, and training for the entire American public power of the United States, which includes Guam, Virgin Islands, and Puerto Rico. So I do have all of those extensive backgrounds in both education and training. And networking is one of the biggest strength in attending all these national institutions. Because I'm able to network, I don't know everything myself, but whenever there is something I need to find out, it's very easy for me to call certain people, certain places, and certain positions and I can get all the answers. So I have all those kind of strengths that I believe I can use very well into promoting and improving Guam Community College and continue to move it further. And, honestly, since I was appointed, I started looking and reading up on Guam Community College and Dr. Okada has done a tremendous job. And I would like to join her team in continuing that progress as she moves on. More recently, she's going into this project now where she and the University of Guam have tasked Guam Power, for example, to install renewable energy throughout the campus. And having just left the Consolidated Commission on Utilities, there really wouldn't be anybody better to coordinate the effort between Guam Power Authority, the University of Guam, and Guam Community College in accomplishing and installing, for example, the solar and wind power to power up both the Guam Community College and the University of Guam. So all of those experiences, I'm bringing over to Guam Community College. With that, I now ask that your committee highly supports my nomination and hopefully confirm my appointment and thank you in advance for hopefully a positive support. Thank you, Madam Speaker."

**Mr. Eloy P. Hara** also spoke about having spoken with Jane Flores and understanding about programs that have moved from Guam Community College into all of Guam's high schools. He has an idea of trying to enhance those concepts in the high schools. Speaker Won Pat acknowledged the existence of the programs in the high schools and recalls when the programs began in middle/junior high school and how those courses have shifted to different courses now. Speaker Won Pat discussed about conversations with families who speak about the children who are currently ill equipped with every day skills – losing basic survival skills that we would like our kids to have to be prepared to head out into the world.

**Mr. Eloy P. Hara** also continued and spoke of his grandson who is great with his hands and model handiwork, and while is a high school graduate and JROTC participant, he isn't able to attend college because he doesn't have the aptitude. He encouraged him to get a certificate from GCC to be able to get a better job. Speaker Won Pat responded acknowledging how we can help advance those like his grandson and woman she has heard of that wish to be able to learn basic skills in a short course. Speaker Won Pat acknowledged Mr. Hara's background and wealth of knowledge, and hopes those tools could aid.

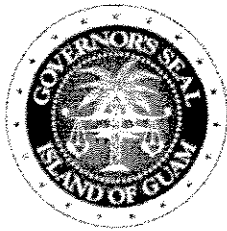

**Mr. Eloy P. Hara** spoke of being married to a native Indian and recalls CEDARS, and parallels it to his experience with Native American work with automotive programs and the likes under the Native American Indian program. He concluded that he is a hands-on person and wishes to be able to facilitate the programs.

**Speaker Won Pat, Ed.D.** also concluded by stating her hopes that Mr. Hara will be able to take his knowledge and experience and work with other departments. She thanked Mr. Hara for accepting the nomination.

At FDMS he completed college preparatory courses prior to attending Saint Lawrence College at Mount Calvary, Wisconsin. Director Hara then moved to Milton, Massachusetts and Hudson New Hampshire where he attended the Franciscan Novitiate and St. Thomas College at Hudson, New Hampshire. Departing from religious studies, Director Hara moved to San Diego, California in 1962 where he enlisted in the United States Navy for a twenty-five year career.

During Director Hara's tour with the U.S. Navy, he went on to complete his college studies at Chaminade College of Honolulu, University of Hawaii, San Diego City College, College of the Sequoias at Visalia, California, Northern Oklahoma College (AS degrees) at Tonkawa, Oklahoma, and finally earned his Bachelor of Business Administration (BBA) degree from East Texas State University, Commerce Texas (now UT Commerce). During Director Hara's last few years in the U.S. Navy, he completed ten out of twelve graduate courses towards a Masters Degree in Management Science, at La Verne University, Los Angeles, California.

After Director Hara retired from the U.S. Navy, he returned home to Guam where he joined Guam Power Authority as its Assistant General Manager of Administration from December 1987 to December 1993. Director Hara subsequently became the Executive Director of the Guam Civil Service Commission from December 1993 to December 1999 when he took an early retirement. In February 2000, he was appointed Administrator of the Guam Memorial Hospital until he resigned in June 2000 due to political reasons.

During Director Hara's short but productive Government of Guam career he served in several other responsible positions, such as:

- Member Executive Management Committee, American Public Power Association (APPA 5 yrs),
- Parish Council Member of Saint Jude Church, Sinajana,
- Member Guam Public Utilities Commission (2 yrs),
- Vice President, Statehood Task Force for the Guam Decolonization Commission (18 yrs),
- Society for Human Resources (SHRM), Guam Chapter (6 yrs), and
- Cabinet Member for over 12 consecutive years under Governor's Joseph Ada and Carl T.C. Gutierrez.

After Director Hara's thirty two plus years of public service, he retired to a small private business which provides energy management consultation, energy saving lights and fixtures and other energy saving products, and a small construction company. When Director Hara can find time from his busy routine, he enjoys playing golf, fishing, gardening and home beautification projects.

HONORABLE Judith T. WonPat, ED.D. (D)  
Chairperson, Committee on Education  
33<sup>rd</sup> Guam Legislature

**Testimony in support of my Nomination as Board of Trustee of the Guam Community College.**

My name is Eloy P. Hara who was recently appointed by Governor Eddie Baza Calvo to the subject position.

Having reviewed the Guam Community College's Mission and Vision Statements, I definitely believe that I have the required education, training, experiences, fortitude and understanding to hold the position and assist towards their accomplishments.

I worked in a very professional manner in all of my previous positions. I am a team player who plays any position that best supports the efforts toward achieving the goals set forth.

Not to be redundant, attached is a brief biography that sums up most of my background and qualifications.

I now ask that this committee highly support and confirm my appointment as a member of the Board of Trustee of the Guam Community College.

Thank you in advance for a positive support.

Respectfully,

  
Eloy P. Hara

33rd Guam Legislature

**Testimony in support of Mr, Eloy P. Hara for the position of Board Member on the Guam Community College Board of Trustees.**

My name is Bruce Pecon. I first became acquainted with Mr. Hara when I interviewed (and subsequently hired) him for the position of Assistant General Manager of Administration for the Guam Power Authority in December 1987. His military experience in the areas of training and education was a primary reason that he was hired for this position.

We worked together the next six years until his transfer to the Guam Civil Service Commission (CSC) as it's Executive Director, where he gained further experience in dealing with personnel matters and developed his ability to assess skills needed to perform assigned jobs in the workplace. At CSC he was also appointed a Commission Member of the Public Utilities Commission where we continued to collaborate on utility matters.

In all the years that I have worked with Mr. Hara he has proven to be an astute and dedicated manager who has continued to exhibit professionalism in all his undertakings. Therefore, I believe that Mr. Hara will be a definite asset to the Guam Community College Board of Trustees.

Hafa adai Speaker Won Pat,

On behalf of the membership of the Guam Community College Board of Trustees, I respectfully submit this written testimony in support of the appointment of Eloy P. Hara to serve on the GCC Board of Trustees.

The Guam Community College Board of Trustees has been instrumental in the progress made at the College over the past several years, supporting the leadership of GCC in strengthening the programs needed for student success in the workforce.

Mr. Hara knows the value of workforce development, which is core to our mission at GCC, from both the government and the private sector perspectives. His terms as assistant general manager of the Guam Power Authority and as executive director of the Civil Service Commission can complement the board membership and the GCC team. Also, with GCC being a leader in sustainability and renewable energy infrastructures, Mr. Hara's knowledge of this subject as a business owner can assist in developing and updating the policy framework related to this initiative.

The GCC Board of Trustees members are also appreciative of Mr. Hara's service on the Consolidated Commission on Utilities. Having a new board member who is already familiar with a board's role in setting policy is important, as the GCC Board of Trustees takes very seriously its policy role with regard to safeguarding the accreditation of the College by the Accrediting Commission on Community and Junior Colleges, or ACCJC.

Mr. Hara has always been fully supportive of higher education efforts on Guam. As such, we fully support his confirmation by the members of the 33<sup>rd</sup> Guam Legislature to the GCC Board of Trustees.

Respectfully,

Deborah C. Belanger  
Chairperson  
GCC Board of Trustees

Hafa adai Speaker Won Pat,

On behalf of the Guam Community College, I respectfully submit this written testimony in support of the appointment of Eloy P. Hara as a member of the Guam Community College Board of Trustees.

GCC welcomes Mr. Hara to be part of all the exciting initiatives that we are continuing to provide our students and campus community. In addition to our updated infrastructure, new facilities, and expanded programs, the college continues to maintain its status as a fiscally responsible government agency.

Mr. Hara has had extensive careers with the U.S. Navy and with the government of Guam. Both perspectives will add depth to the membership of the GCC Board of Trustees. His military service will be valuable from the perspective of serving our veteran students, and his time as assistant general manager of the Guam Power Authority and as executive director of the Civil Service Commission will provide a valuable perspective. Also, Mr. Hara is well versed on the role of a board with regard to setting policy, having served a term on the Consolidated Commission on Utilities.

As a former business owner, Mr. Hara is also familiar with renewable and alternative energy initiatives, and with the workforce development issues facing our island. GCC believes Mr. Hara will be a welcome addition to the Board of Trustees, which supports the mission of Guam Community College as a leader in career and technical workforce development, providing the highest quality, student-centered education and job training for Micronesia. The College fully supports his confirmation by the members of the 33<sup>rd</sup> Guam Legislature.

Senseramente,

### **Testimony in support of Mr, Eloy P. Hara for the position of Board Member of the Guam Community College.**

I am writing to recommend Mr. Eloy P. Hara for a position with the Guam Community College Board of Trustees. I have known Mr. Hara as a neighbor when growing up in the village of Sinajana and for seventeen (17) years in a professional capacity as his business partner.

While working with Mr. Hara, I was able to observe his high standards of completing all responsibilities in a highly professional manner. He interfaced closely with customers and ensured quality customer service in order to maximize our client retention rates.

As a man Mr. Hara holds strong family values and a world view that mirrors that of most of the constituents in our island. Mr. Hara has the common-sense approach and drive needed to make a difference in the future of our only community college in Guam.

I have no doubt that Mr. Hara will be a definite asset to the Guam Community College Board of Trustees. I cannot stress enough confidence in Mr. Hara.
