Joining me here this morning ladies and gentlemen are Senators Nerissa Underwood, Mary Torres, Jim Espaldon and Dennis Rodriguez, Jr. I'd like to thank my colleagues for joining me here this morning. On the agenda this morning ladies and gentlemen are:

- Appointment of **David T. Lotz**, Planning Representative, Guam Historic Preservation Review Board
- Appointment of **Jolie Liston Ph.D.**, Archaeologist, Guam Historic Preservation Review Board
- **Bill No. 371-33 (COR)** – “An act to amend § 1515(i) of Article 5, Chapter 1 of Title 5, Guam Code Annotated, relative the Guam and Chamorro Educational Facility” – sponsor: D.G. Rodriguez, Jr.

CHAIRPERSON: Thank you very much! If there's anyone else that would like to speak on behalf of Mr. Lotz and Ms. Liston, please come forward. Ms. Lynda Aguon, would you like to come forward? I am going to call the appointees up afterwards. Please come forward and state your name and if you're in support or not in support of the nominees and where you're from.

MS. LYNDA AGUON: Hafa adai my name is Lynda Aguon and I'm the Guam State Historic Preservation Officer for the Department of Parks and Recreation. On behalf of the Director and Deputy Director, they are in full support of the two (2) nominees. They couldn't be here because of pressing matters with the Governor's office. I've known Dave since 1983 when he was the Parks Administrator of the Department of Parks and Recreation and I started my career as the Archeological Technician. I've known him to be very straight forward and get the job done, although he can be vicious but I think it's appropriate of his position as Parks Administrator. I know that he's done a lot of the data entry for property historic. He's been around and he knows what's out there and what needs to be done like the back of his hand. I am in full support of his nomination for the Historic Preservation Review Board. He is like a guiding light for me; he knows what he's doing. He gives guidance where he feels that I need. I am in full support for Dave's nomination. I am also in support of Jolie Liston's nomination to the board as well. I've known Jolie about 3 or 4 years. She is an outstanding researcher, outstanding archeologist and has done work in the Micronesia, Palau, Yap and she knows her job like the back of her hand. She has done the Manenggon concentration camp nomination and the Chaguian massacre site as

well. They are both on the National Register. Jolie sees the wrong and wants to right it and I appreciate it. So I'm in full support for her nomination as well.

CHAIRPERSON: Thank you Ms. Aguon, hagu mas! Any questions for Ms. Aguon? None at this time, so I would like to call up the nominees to come forward please. Before I have them speak, I would like to state for the record that a written testimony for Mr. Lotz and Ms. Liston were submitted by Mr. Joe Quinata of the Guam Preservation Trust and he is in full support of both nominees. (*testimony attached for review*) Please proceed Mr. Lotz.

MS. JOLIE LISTON: My name is Jolie Liston. I was here on Guam in the 90's to work on Tarague and Orote. I was here for 2 years. I'm here on Guam now for 4 years now. Most of my time was in the parts of Micronesia. I was a cultural research manager and archeologist for 28 years and I feel that my knowledge on the federal guidelines from both the federal and Micronesia standpoint will benefit the community.

CHAIRPERSON: Thank you Ms. Liston. Anyone have a comment or question?

SENATOR NERISSA UNDERWOOD: I just want to thank the both of you for accepting the nomination. What do you think are the critical policy issues that are facing the Guam Preservation Review Board?

MR. DAVID T. LOTZ: Critical issues...I think continuing the public education and ensuring our cultural resources are adequately preserved but also ensuring that we work with the private sector and the land use agencies because as we progress and develop, it's essential that we preserve our cultural resources.

SENATOR NERISSA UNDERWOOD: So when you're talking about public education are you looking at having them in the public school system?

MR. DAVID T. LOTZ: I'm looking at all public resources. It is important that people understand that cultural resources could be impacted.

SENATOR NERISSA UNDERWOOD: Jolie?

MS. JOLIE LISTON: I agree with Dave with respect to the public education. Education in a sense that archeology is a wholeistic study. It involves the heritage in a legacy of the past that goes into the environment and what the environment was in the past and how it involves us in the future. Making cultural resource management relative to today's issues.

SENATOR NERISSA UNDERWOOD: Thank you Jolie.

CHAIRPERSON: Senator Mary Torres do you have any questions or comments?

SENATOR MARY TORRES: Thank you Madam Chair. First of all, I want to thank you both for accepting the nomination. Mr. Lotz, Congratulations, I understand that you are a recipient of the 2012 Ancient Order of the Samurai?

DAVID T. LOTZ: Yes, thank you!

SENATOR MARY TORRES: You're welcome! That makes you almost blood. (audience laughs) I want to ask what your thoughts are on the artifacts that have been sent off island and removed from the island, what are your thoughts about bringing them back home?

DAVID T. LOTZ: I think it just should be done.

JOLIE LISTON: I think a well thought method of bringing them back and a well thought system in place of curation.

CHAIRPERSON: She introduces GEDA members that have just arrived. Senator Espaldon do you have any questions?

SENATOR JIM ESPALDON: I have no questions Madam Chair only comments. Mr. Lotz, everyone knows you. I look forward to your involvement in the preservation of our culture. It's very important that you keep a keen eye out for our government. Mr. Lotz and Ms. Liston, thank you for putting yourselves forward. Thank you Madam Chair, that's my only comment.

CHAIRPERSON: You're welcome, thank you. Senator Rodriguez, do you have any questions or comments?

SENATOR DENNIS RODRIGUEZ, JR.: Thank you Madam Chair. I just want to thank you both for giving yourselves to the community. Mr. Lotz, I don't know you very well, but I know your wife Beverly and I want to thank her for her service to the GMHA volunteer association. That's all Madam Chair.

CHAIRPERSON: I too want to say thank you for stepping up to the plate to the both of you. For coming on board and accepting your appointment by the Governor. Your passion and love for our island in making sure that our preservation is done correctly is the main reason for your appointment to this board. I say to you both thank you!

DR. KELLY MARSH TAITANO: Hafa adai and as you mentioned, my name is Dr. Kelly Marsh Taitano. She reads her written testimony for Jolie Liston and David T. Lotz. (*written testimony attached*)

I've actually been a member of this board and I know for a fact that these two individuals will go above and beyond. Thank you very much for letting me provide testimony.

CHAIRPERSON: Saina Ma'se Dr. With Dr. Kelly's last testimony, I would like to state that the confirmation hearing for David T. Lotz and Jolie Liston have been duly heard. Saina Ma'ase everyone and have a wonderful day!

The public hearing was adjourned at 10:41 a.m. Saina Ma'ase!

I write to express the Guam Preservation Trust's (GPT) support for Ms. Jolie Liston's nomination to the Guam Historic Review Board (GHRB) representing the archaeology discipline.

Ms. Liston has been a close advocate for historic preservation, especially through her professional work as an archaeologist. I have worked with her on several projects that the GPT has undertaken, most recently with her and her team's research and preparation of nomination documents to list the Mannengon Concentration Camp on the National Register of Historic Places which Keeper of the National Register approved this past summer. I have found her to uphold a great sense of professionalism as well as continuous support for historic preservation work on Guam. Should Ms. Liston be favorably confirmed by the legislature, she will complement and provide additional guidance with archaeologist Ms. Cacile Craft who currently holds membership on the board for this discipline. Indeed, with our island expecting an increase in economic development, it is necessary that the GHRB have the fullest capacity to work with the Guam Historic Resources Division to ensure that historic and cultural resources remain protected.

As you are well aware, the GHRB members in turn become the Board of Directors for the GPT and a complete board allows for better management of the GPT to continue our work to advance historic preservation in our community and in this regard, I once again extend my support of Ms. Liston to the GHRB and look forward to continue working with her upon her confirmation to accomplish the mandates of the GPT. Should there be any questions or further information needed, please contact me at 472-9439 or by e-mail at [jpreservation@guam.net](mailto:jpreservation@guam.net).

Sincerely,

**JOE QUINATA**

Re: Letter of Support for Dr. Jolie Liston to Guam Historic Preservation Review Board  
representing the discipline of Archaeology

To Whom It May Concern,

I write this letter in full support for Dr. Jolie Liston to the Guam Historic Preservation Review Board representing the discipline of Archaeology. I have known and worked with Dr. Liston for seven years and can say with confidence that in her work, she goes above and beyond the call of duty to ensure the outcome of the work at hand is of the highest quality.

She cares about the local and indigenous communities and makes certain that appropriate community members and leaders are consulted and community issues are adequately considered. Dr. Liston generously supports applied community projects and provides assistance to outreach projects to the best of her ability.

For these reasons and more, she would be a valuable asset to the cultural and historical preservation community of Guam by being a member of the Guam Historic Preservation Review Board. I know that she will provide the same unwavering commitment and energy toward that appointment as she does with her other historic preservation and community minded efforts.

Senseramente,

si Dr. Kelly Marsh-Taitano
