Mayor Doris Flores: Buenas yan hafa adai Madame chair and honorable senators for the record my name is Doris Flores Lujan Mayor of Inalahan I'm here to lend support of Marie P. Dela Rosa's confirmation to the board of directors with the Guam Housing and Urban Renewal thank you for allowing me the opportunity to testify. As a public servant for over 30 years for the department of parks and recreation Marie performed her duties with integrity and professionalism she continues to volunteer her services to our island community I am confident and have faith in Marie that she will carry out her roles and responsibilities as a board member, deciding to dedicate your life to public service is a choice and she is committed to create healthy and sustainable homes for our island residence. Madame Chair I humbly ask Mrs. Dela Rosa's nomination be favorably considered and confirm her as a board member Marie would be a valuable asset si Yu'os Ma'åse I also support the other two members.

Senator Barnes: You also support Annabelle Dancel and Mr. Joe Leon Guerrero right...

Mayor Doris Lujan: Yes

I Mina'Trentai Tres Na Liheslaturan Guåhan

Tina Rose Muña Barnes

Senator Barnes: Si yu'os maase uh mayor uh doris lujan um mayor uh rudy mantanane from yigo? Sigi pot fabot...

Mayor Doris Lujan: For the record I'm Mayor Rudy Mantane I'm here to support in favor of um Mrs. Marie Dela Rosa's uh nominee for um the GHURA board and I'm also here as Rudy Mantanane a friend of Marie and you know uh mayor this beautiful mayor right next to me Lujan from the beautiful village of Inarajan although Yigo's much more beautiful not enough water but is a lot of cocounut crab and deer up there so you know saying my support for Marie I've known Marie for over 20 years and I think her knowledge at the Department of Parks and Rec is just integral to uh give you know uh ideas and whatever is needed at GHURA housing as a board member and I know that you know GHURA has been doing a lot of good things for our villages and you know for everything else I think there's always room for improvement and I feel that Marie Dela Rosa's knowledge as far as uh the things that GHURA does for Guam is very much needed because she has a lot of knowledge with uh Parks and Rec and that's a lot of what we need you know. as my experience of Mayor of Yigo were always you know going to GHURA to try to find funding to improve the quality of life for our kids in Yigo and it's very much needed parks and everything that has to do with parks and the kids is very much needed up there in Yigo. I know that Marie with all her knowledge and working with Parks and Recreation can really help in the things that we really need in the villages and I also throw my support for the other two individuals that are up for nominations. Thank you very much senators. I'm sorry Madame uh that I did not address you and all the honorable senators here good morning and thank you for having us here for speaking on behalf of these people that you know want to take the challenge. Thank you very much.

Senator Barnes: You're very welcome Mayor Mantanane. Also joining me ladies and gentlemen is Honorable Speaker. Speaker Won Pat thank you for joining us and Senator Dennis Rodriguez. Thank you very much for joining us um Mr. Duenas please.

Michael Duenas: Good morning Madame Chair and members of the committee. My name is Michael Duenas I'm the executive director for Guam Housing and Urban Renewal Authority. I want to thank the committee for expediting this hearing process. We have a seven member board and at this point we have four vacancies we have not met. The board has not been able to meet from October through this month because we don't quorum. We're hoping that the um the three members before the legislature will

I Mina'Trentai Tres Na Liheslaturan Guåhan
Office of The Legislative Secretary
Tina Rose Muña Barnes

be confirmed in time to allow us to have a board meeting on November 30th there are several items that um that require the board action that are time sensitive and that's why we're looking to trying to schedule a board meeting by November 30th. If the legislature is able to confirm before during the November session um I'm here also in support of all three of the nominees it is a challenge to find uh citizens out here who are willing to volunteer to serve on the various boards and commissions and I want to thank these three individuals and accepted the governors invitation to be on the GHURA board. Thank you Madame Chair.

Senator Barnes: You're very welcome Mr. Duenas. Mr. Santos

Albert Santos: Good morning Madame Chair and committee members again I appreciate allowing us here to testify in support of the three nominees. I do echo Mr. Duenas um again concern about the need to have our board in place. What's welcoming is that we have three diverse individuals that we're looking forward to being on our board and we certainly have a lot of new challenges ahead of us and with their background I'm sure they will be big assets in terms of guiding our way towards what we plan to do in the future. As Mr., the mayor from Yigo mentioned, we are deeply involved again in developing our community helping our youth and in fact we're doing a pretty big project in his village and hopefully we will get it done in March so we can celebrate that and certainly again as I mentioned the three members are welcome to our agency with the expertise and the background they have as well I can. I'm in full support of all three nominees.

Senator Barnes: Si Yu'os Ma'åse Mr. Santos. At this time does any of my colleagues have any comments or questions for these panel members? If not I'm going to ask if Mr. Duenas and Mr. Santos go ahead stay for the duration of the appointments at least in case there are any inquiries. Thank you Mayor Lujan and Mayor Mantanane for giving us the opportunity to um present your testimony in support of the GHURA members. Uh. In no particular order I will go ahead and call um before I call all the nominees up Mr. Solis, Henry Solis would you like to speak or here for support. Ok thank you. Um. Lourdes Paulino and Augusto Paulino Just here for support thank you very much. And Mannete Duenas support ok thank you. Uh John Dela Rosa here for support and John Calvo here for support or testimony, thank you. And Dorothy Sanchez here for support? Fully support, thank you. And that will be all three nominees for Marie Dela Rosa. Thank you, with that being said uh. I will have the three nominees. Mr. Joseph

Senator Barnes: Thank you. Brother Frank.

Senator Frank Blas: I to just want to say thank you very much for stepping forward and wanting to be a part of the board. It's an awesome responsibility especially with what you got to do. And I know you are confident you will do the same as a board member. So thank you and congratulations

Senator Barnes: Senator Jimmy Espaldon. Comments, questions?

Senator Jimmy Espaldon: Thank you Madame Chair, I echo the same sentiments in terms of thanking you stepping up to the plate however I guess the comment I have is that your actually stepping into a very hot spot situation. I should say, I think everybody understands what has gone on and perhaps some of the criticism that the GHURA and the board has received in the recent past and of course we're dealing a lot with federal funds, we're doing a lot in policy in terms of how do we move forward with the housing situation the people live there the rules and regulations so in accepting it I hope, I guess remain confident that you go in with your eyes wide open to try to understand what the issues are, to really ask the tough questions to truly try to understand what the ramification may be on all of the decisions that you make in terms

I Mina'Trentai Tres Na Liheslaturan Guåhan
Office of The Legislative Secretary
Tina Rose Muña Barnes

of not only helping the homeless but really in abiding by the regulations that govern a lot of the federal funding. So with that I want to congratulate you and uh but also offer you know that little bit of tidbit and advice to please be very mindful of all the eyes that will also be upon you but we thank you for your service. Thank you Madame Chair.

Senator Barnes: You're very welcome senator Espaldon. Senator Tommy.

Senator Tommy Morrison: Thank you Madame Chair and I want to congratulate on your appointment and I look forward to working with you and the hard working team at GHURA especially also want to thank Mrs. Dela Rosa I spent many years at DPR, thank you for your service up at the Department of Parks and recreation and also taking care of me up there. So I wish you all the best.

Senator Barnes: Si Yu'os Ma'åse senator Morrison, um, I just want to take this time right now as oversight chair housing to thank the three of you and the governor for appointing the three of you to this GHURA board. I want to share with you some notes about GHURA. I know that before some terms have expired I know that GHURA is one of the few boards that always, always had a quorum until the expiration of the previous members terms and the passing of the vice chair and I like at this time to at least extend my condolences to the family but more importantly to thank um Vice Chair Paulino, Luis Paulino for the commitment and the hard work and the tireless nights that even amongst controversy this man continue to give from his heart and you know Mrs. Dela Rosa you talk about just coming here from the heart and not having any conflicts of interest that's what the board needs at this time. The vision that Mr. Paulino saw uh for many, many decades working closely with GHURA I know the opportunity to fill those shoes will be fitted very well because you folks have stepped up the plate and I know with your prior experience working with the community, working with the board, you both, I look at your resumes and I know that you both will give your very best. I know that Mr. Duenas and Mr. Santos are here on behalf of GHURA supporting this efforts. It hasn't been an easy journey this last couple of years but we know that uh with the full complement and the full boards complement as soon as we get these folks confirmed that we will continue to work closely tie up loose ends and continue to work the vision of what GHURA is to the listening audience out there. Yes GHURA is a 100% federally funded, we received grants from the federal government and we continue to move forward in providing the those in the indigent community housing for those who are homeless so again it is a my delightful honor and pleasure to thank you guys for

I Mina'Trentai Tres Na Liheslaturan Guåhan
Office of The Legislative Secretary
Tina Rose Muña Barnes

stepping up to the plate and thanking the governor for bringing the appointments fast and you folks being here in the midst of a lot of hard work that needs to be done, extend my Si Yu'os Ma'åse so with that being I will call the appointments of Marie P. Dela Rosa, Annabelle M. Dancel, and Joseph M. Leon Guerrero the public hearing for the appointment to the Guam Housing and Urban Renewal Authority Board of Directors publicly heard, again the record is open to the listening audience. Hafa Adai Madam Chairwoman:

My name is Marie Paulino Dela Rosa and I am humbled at the opportunity to appear before you in my quest for confirmation as a Board Member for the Guam Housing and Urban Renewal Authority. Currently, I work as Program Coordinator with the Commission on Decolonization.

I was born and raised on Guam, and as a Chamorro woman I've carried the Chamorro spirit of generosity and willingness to help and serve in my years of government service, volunteer work at with the Guam Memorial Hospital Volunteer's Organization, the Rigalu Foundation and my involvement with the Church. As a Government of Guam employee, I worked at the Department of Youth Affairs and I worked with federal grant applications at the Department of Parks and Recreation Historic Division. After retiring with thirty-five years of service, raising two children, I became the immediate caregiver for my late husband John Dela Rosa. After his passing, I have continued to play an active role in my community through my willingness to help people and pay it forward.

If granted the opportunity to serve our island community, my focus is on enhancing the services for all GHURA residents, the Man'amko, and those displaced by homelessness by adhering to GHURA's mission statement and motto "Strengthening Families and Building Communities: One Project At A Time". Si Yu'os ma'ase' Madam Chairwoman. Rest assured, I have no current or potential business conflicts of interest.

Respectfully,

MARIE P. DELA ROSA

LETTER OF SUPPORT FOR THE NOMINATION OF MARIE P. DELA ROSA
TO THE BOARD OF COMMISSIONERS FOR THE GUAM HOUSING & URBAN RENEWAL AUTHORITY

Madam Chairperson,

I submit this testimony in full support of the nomination of Marie P. Dela Rosa to the Board of Commissioners for the Guam Housing & Urban Renewal Authority.

I believe that Marie is the right choice for the Board for several reasons, and each one demonstrated in her actions, not just her words.

First, GHURA clearly faces challenges. Addressing the high and growing demand for affordable rentals and housing has to be the priority of the GHURA. Recent distractions that led to the vacancies currently being filled have to be addressed and put behind quickly so the hard working men and women at GHURA can focus on what they do best – put needy families into affordable, clean and safe housing.

GHURA, like all government agencies accepting federal money has to balance the federal rules and regulations that govern the use of those funds with the very real challenges and needs of our community. It's obviously not an easy task, and it would benefit the organization greatly to have more board members who have worked with federal programs and funds. Marie has that experience, in a program that does find that balance of preservation and pragmatism.

Marie is a strong, independent thinker whose years of experience working with those federal programs complements the current members of the GHURA Board of Commissioners who are highly qualified and upstanding individuals in their own right.

Marie is a compassionate person. She is always helping needy and struggling people and families. She has given clothes to them, cooked and delivered food to them, and volunteered her time and energy to organizations like the GMH Volunteers Association; and she has done so without seeking any recognition. She has an immeasurably large heart for others and it shows in her actions.

A few weeks ago, while at dinner I met a waitress who, along with her sister, were given clothes by Marie during a time when they were struggling. Marie had just started a conversation with her one day while eating and learned of the woman's situation. She then offered her help and began to give her and her sister what she could.

There are many other stories like this one. Simple gestures of generosity that help someone beyond measure. That type of generosity and compassion for those in need is what lies at the heart of GHURA mission to provide assistance to our people, preserving their dignity and helping them until they can get back on their feet. And Marie lives that out in her actions.

Marie is also fair but firm and I believe it is this quality that makes her especially suited for the GHURA Board. Balancing needs with the rules that govern the funding requires this sense of fairness but also a respect for the rules and laws that govern the use of those funds. Marie understands that balance. She understands, from her practical years of service, what it takes to strike that balance.

And finally, I'll close with what I believe is her strongest and most compelling quality. Marie is fiercely loyal and committed to those she loves and to her responsibilities. For more than four years, she single-handedly cared for her husband when a stroke took away his independence and ability to care for himself. No doubt there were many difficult days caring for a very stubborn and equally strong-willed man. Through that time she never left his side nor waned in her commitment to care for him. He was her life. She sacrificed herself, her interests and her own health for him, not out of obligation, but out of her strong sense of love and commitment.

I can attest to this personally, because that man was my father, the late Juan L.G. Dela Rosa. A very proud and stubborn man for certain, and blessed to have had Marie as his wife.

GHURA will be well served with Marie Dela Rosa as its newest Board member.

Thank you.

John Dela Rosa

Subject: Support for Marie Dela Rosa for a position on the GHURA board

Dear Senator Muña Barnes:

I am writing this in support of Marie Dela Rosa's application to become a board member for GHURA. I have known Ms. Dela Rosa since 1992. At the time she was with the Department of Parks and Recreation, Historic Resources Division. I arrived on island to do archaeology for the proposed military build-up at that time, which was the relocation of the US Naval base from Subic Bay to Orote and as a result was a frequent user of the State Historic Preservation Office archives. Marie was one of my first points of contact and she was always very courteous and helpful.

I remained working on Guam after that initial project and continued to connect with Marie at the Historic Preservation Office (SHPO). She realized that I was serious about Guam archaeology and was very generous with her time, always making sure that I had access to the information I needed for work. I would have to say that during the nine years that I worked as an archaeological contractor Ms. Dela Rosa's professionalism and friendliness made my work much, much easier.

About 15 years ago I started working for the SHPO as a consultant archaeologist. It was during this time that I came to know Marie and her husband John on a more personal level. Being in the office each week I came to see how well Marie worked with her colleagues, the respect she was given, and how expertly she handled the Federal grant that supported the SHPO. I felt that the office took a hard hit when she retired, but I understood that she felt it was time.

I have always thought that Marie had more to give, and I am glad to see that she is being considered for the board position. Consequent to my appreciation for Marie I am more than happy to endorse her application for the GHURA board. I think she will make a strong contribution in that role.

Sincerely,

Richard K. Olmo

Subject: GHURA Board of Director Nomination, Marie Dela Rosa

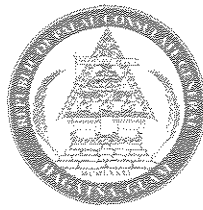

Hafa Adai Senator Tina Muna-Barnes,

It is my great pleasure to write this letter of recommendation for Ms. Marie Dela Rosa in support of her nomination as a member of the GHURA Board of Directors. Marie has been a member of the Guam Memorial Hospital Volunteers Association (GMHVA) for the past 6 years and I can state with confidence that she is a motivated and responsible person with a high degree of integrity. She will be a very positive addition to the GHURA board.

Marie's leadership and organizational skills were clearly demonstrated when she stepped up and volunteered to chair the GMHVA's 2nd largest annual fundraiser project, the Thanksgiving Raffle. Her leadership and dedication resulted in a very successful fundraiser with the proceeds used to purchase hospital equipment. She has earned the respect and admiration of her fellow volunteers by her willingness to accept positions of responsibility in our organization. She has served as a Director at Large on the GMH Volunteers Association Executive Board and has become an important, effective and integral part of our volunteer team. Marie has demonstrated a responsible attitude towards her volunteer work, demanded a great deal of herself and she worked hard to insure that she performed her responsibilities professionally.

It is without any reservations that I respectfully encourage your committee to approve Marie's nomination for she will clearly be a valuable and contributing member of the GHURA board of directors in assisting Guam's residents.

Thank you.

CONSULATE GENERAL OF THE REPUBLIC OF PALAU
HAGATÑA, GUAM

October 30, 2015

Senator Tina Rose Muna Barnes
Chairperson of Committee on Municipal Affairs,
Tourism, Housing and Historic Preservation,
21st Guam Legislature.

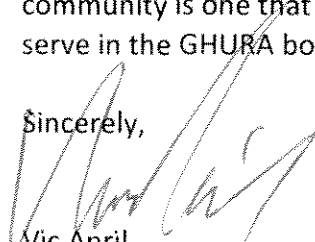

Dear Hon. Chairperson and Members of this Committee:

I have the privilege of endorsing this recommendation letter to support the nomination and confirmation of Ms. Marie P. Dela Rosa to serve in the Board for Guam Housing and Urban Renewal Authority (GHURA).

I have had the opportunity to work collaboratively with Ms. Dela Rosa in various capacities to support programs within the Guam Historic Resources Division of the Department of Parks and Recreation for over twenty years when I was the State Archaeologist. Ms. Dela Rosa was a Program Coordinator who had a major role in overseeing the operation of Federal grants that the Historic Resources Division was receiving annually. She made sure the strict Federal and local regulations were adhered to and she did it very well. Through our many engagements on a regular basis in the overall historic preservation program on Guam, Ms. Dela Rosa has time to time proven her dynamic ability in taking a lead role in organizing and implementing historic preservation programs particularly in the Program Area of grants and administration. Hence, I feel a great sense of certainty in speaking about her contributions to not only the Guam Historic Resources Division programs but also to her active role in participating in civic activities and never forget to reciprocate people within her community who are compassionate to her.

Ms. Dela Rosa is a great program leader who strives to initiate actions affecting people around her. Her commitment and conviction to serve, assist, and participate in social activities in her community is one that deserves special recognition. Ms. Marie P. Dela Rosa's confirmation to serve in the GHURA board will undoubtedly enhance the purpose of the board.

Sincerely,

Vic April
