**RE: RESIGNATION AS A MEMBER OF THE GIAA BOARD OF DIRECTORS**

Hafa Adai Governor,

After much contemplation, I have decided to resign as a member of the Guam International Airport Authority Board of Directors. With the increased responsibilities and workload I am tasked with at my place of employment, I feel I will no longer have the time to adequately and properly serve the Board. As such, my resignation will be effective immediately.

Governor, it has been a pleasure and my great honor to have served under your administration for these past several years - a tremendous and enriching experience I will always treasure. The Airport has made great strides over the past few years. Examples include: the opening of the extended runway; the rebranding of the Airport logo; the selection of the new duty free concession; the addition of new airline partners (LCC's); the opening of the Tiyan Parkway; the exterior repainting of the entire Terminal; availability of wifi for passengers; the renovation of all the bathrooms; the relocation of the TSA baggage screening facilities; and soon, the construction of the new international arrivals corridor. The Airport also hopes to become a low risk auditee with the upcoming release of the 2014-2015 Audit -- a goal set three years ago. With that said I want to personally thank you for the opportunity and allowing me to be a part of the many successes at the GIAA. Needless to say, the Airport, with the current Board, Management and Staff, is poised in the Right Direction!

In closing, I thank you again.

Put Respetu,

  
Ed Ontalan
