II. SUMMARY OF TESTIMONY AND DISCUSSION

- **Speaker Won Pat Ed.D.** thanked the members of the public and her colleagues for being present at the hearing to discuss a long standing Federal issue that impact our daily lives here on Guam. Resolution No. 52-33 (COR), urgently petitions Congress to increase the annual appropriation for compact-impact aid from 30 million dollars a year to 185 dollars million to "affected jurisdictions" who provide services to migrants from the Freely Associated States. The

resolution supports a bill introduced in the House of Representatives on February 10, 2015 by Congressman Mark Takai from Hawaii and cosponsored by Congressman Greg Sablan from the CNMI, Congresswoman Tulsi Gabbard from Hawaii, and our Congresswoman Madeleine Bordallo. H.R. 854, known as the "Compact-Impact Aid Act of 2015" seeks to increase the annual appropriation for compact-impact aid by \$155 million.

The intent of the congressional legislation recognizes that, "Insufficient sums have been appropriated to cover the costs incurred by Guam, the Commonwealth of the Northern Mariana Islands, and the State of Hawaii, resulting from increased demands placed on health, educational, and other social services by individuals from the Federated States of Micronesia, the Republic of the Marshall Islands, and the Republic of Palau."

Our community has graciously hosted our neighbors from the region who come to further their education, to seek employment, or to receive healthcare that is not provided in their islands. Unfortunately, our financial resources are finite and we struggle as a government to afford providing these services. This resolution asserts the obligation of the federal government to take responsibility for negotiating the Compacts of Free Association without Guam's input or consent. They were aware that a mass migration would occur, and they have an obligation to assume the costs of the impacts of this migration on host communities like Guam.

In fiscal year 2015, Guam's share of the Thirty Million Dollars decreased from Sixteen Million Eight Hundred Thousand Dollars to Fourteen Million Dollars – this is 10 times less than the One Hundred Forty-Four Million Dollars the Government of Guam spent in fiscal year 2014 on services to FAS migrants. Despite repeated requests to increase Guam's compact-impact reimbursements, the Federal Government is decreasing the amount. She stressed that this issue needs to be resolved and hopes that Congress passes H.R. 854.

The Speaker asked the members of the public wanting to testify about the resolution to come forward.

- **Mr. Farnum** testified in support of the resolution to increase Guam's compact-impact reimbursements. He mentioned that the insufficient funding of compact impact affects not only his family (life time residents) but the entire community. He believes that the FAS citizens are not at fault, but the responsibility rest with the federal government who sanctioned the FAS citizens the opportunity to make a life on Guam. He agreed that this is a money issue and that the Government of Guam is expending its own money to address the impact of the FAS citizens, while not focusing on other issues. He acknowledged that all our elected officials are working to resolve this issue. He gave an example of the lawsuit requiring that the Government of Guam has to pay out tax refunds within 6 months of the filing deadline and this same method should be applied to the Federal government in reimbursing the actual costs in a timely manner to the Government of Guam.

- **Speaker Won Pat, Ed.D.** asked her colleagues if they had questions or comments concerning with Mr. Farnum's testimony. The senators had no questions or comments for Mr. Farnum.
- **Speaker Won Pat, Ed.D.** agreed with Mr. Farnum's statement that a lawsuit may be one of the approaches to address the compact reimbursements. The Speaker cited that former Senator Carlotta Leon Guerrero filed a lawsuit pertaining to the financial impact of regional migrants, but unfortunately the appeals court ruled in favor of the federal government. The Speaker stated that we need to continue to fight for the actual costs of the reimbursements and to include the recovery of past unreimbursed costs.
- **Mr. Farnum** stated that they should understand our cause because the bordering states with Mexico experience a large number of illegal aliens entering to the United States which greatly impact them.
- **Speaker Won Pat, Ed.D.** replied that the only difference is that the United States entered into a treaty with the Federated States of Micronesia, the Republic of the Marshall Islands, and the Republic of Palau and one of the agreements allows them free entry into the United States and Guam being the closest to them geographically has truly impacted us.
- **Mr. Farnum:** agreed with the Speaker's statement and that hopefully a solution can be found.
- **Speaker Won Pat, Ed.D.** concluded the public hearing on Resolution No. 52-33 (COR).

III. FINDING AND RECOMMENDATIONS

The Primary Sponsor of Resolution No. 52-33 (COR), Speaker Judith T. Won Pat, Ed.D. hereby reports out Resolution No. 52-33 (COR) with the recommendation

Relative to urgently petitioning the United States Congress to increase the annual appropriation for compact-impact aid from Thirty Million Dollars (\$30,000,000) to One Hundred Eighty-Five Million Dollars (\$185,000,000.00) to help defray the cost of services as a result of an increased demand for health, educational, social, and public safety services; and for infrastructure related to such services, due to the residency of migrants from the Freely Associated States in affected jurisdictions.

2015 MAR 27 AM 9:47 

BE IT RESOLVED BY *I MINA'TRENTAI TRES NA LIHESLATURAN GUÁHAN*:

1 **WHEREAS**, the Compact of Free Association Act of 1985 (P.L.99-239),
2 implemented in 1986, establishes the relationship between the United States and the
3 Federated States of Micronesia (FSM) and the Republic of the Marshall Islands (RMI);
4 and

5 **WHEREAS**, the Compact of Free Association Act of 1985 (P.L.99-658),
6 implemented in November 1994, establishes the relationship between the United States
7 and the Republic of Palau; and

8 **WHEREAS**, the Compact of Free Association Amendments Act of 2003 (P.L.108-
9 188) renewed the original Compact of Free Association (P.L. 99-239) between the United
10 States and the Federated States of Micronesia (FSM) and the Republic of the Marshall
11 Islands (RMI); and

12 **WHEREAS**, the compacts allow, among other things, for citizens of these three
13 Freely Associated States (FAS) to enter and reside indefinitely in the United States,

1 including its territories, without regard to the Immigration and Nationality Act's (INA)
2 visa and labor certification requirements; and

3 **WHEREAS**, since the compacts went into effect in 1986 for the FSM and the
4 Marshall Islands and in 1994 for Palau, an estimated fifty-six thousand (56,000) citizens
5 from these countries have established residency in U.S. areas, particularly in Guam,
6 Hawaii, and the Commonwealth of the Northern Mariana Islands (CNMI); and

7 **WHEREAS**, since 1990, Guam's FAS population grew nearly four (4) times its
8 size from about five thousand (5,000) persons in 1990 to nearly twenty thousand (20,000)
9 persons in 2010; and

10 **WHEREAS**, in the Compact of Free Association Amendments (P.L. 108-188) the
11 amended compacts authorized and appropriated Thirty Million Dollars (\$30,000,000)
12 annually from fiscal years 2004 to 2023 for grants to Guam, Hawaii, the CNMI, and
13 American Samoa, which it deemed "affected jurisdictions," to help defray the cost of
14 services as a result of an increased demand for health, educational, social, and public
15 safety services, and for infrastructure related to such services, due to the residency of
16 FAS migrants in their jurisdictions; and

17 **WHEREAS**, in fiscal years 2013 and 2014, Guam received Sixteen Million Eight
18 Hundred Thousand Dollars (\$16,800,000.00) as its share of the Thirty Million Dollar
19 (\$30,000,000.00) appropriation for impacts related to the compacts, along with Two
20 Million Eight Hundred Thousand Dollars (\$2,800,000.00) of the Four Million Nine
21 Hundred Ninety Thousand Dollar (\$4,990,000.00) discretionary appropriation for
22 educational impacts in 2013 and One Million Seven Hundred Thousand Dollars
23 (\$1,700,000.00) of the Three Million Dollar (\$3,000,000.00) discretionary appropriation
24 for educational impacts in 2014; and

25 **WHEREAS**, the Government of Guam expended One Hundred Twenty Eight
26 Million Dollars (\$128,000,000.00) in fiscal year 2013 for health, educational, social, or
27 public safety services, or for infrastructure related to such services to citizens from the
28 FAS who migrated to Guam under the provisions of the compacts; and

29 **WHEREAS**, in fiscal year 2015, Guam's share of the Thirty Million Dollars
30 (\$30,000,000.00) decreased from Sixteen Million Eight Hundred Thousand Dollars
31 (\$16,800,000.00) to Fourteen Million Dollars (\$14,000,000.00); and

1 **WHEREAS**, according to a report released by the Governor of Guam in January
2 2015 on the impact of the Compacts of Free Association on Guam, the Government of
3 Guam’s local funding cost for fiscal year 2014 for hosting FAS migrants was One
4 Hundred Forty-Four Million Three Hundred Thousand Dollars (\$144,300,000.00), which
5 is ten (10) times less than the amount Guam received for compact-impact reimbursements
6 this fiscal year; and

7 **WHEREAS**, since 2004, the amount due to Guam for compact-impact
8 reimbursements has reached Eight Hundred Fifty-Six Million Dollars (\$856,000,000.00)
9 and continues to grow; and

10 **WHEREAS**, in February 2015, Governor of Guam Edward J. Baza Calvo in a
11 meeting with federal officials in Washington, D.C. stated that government of Guam
12 agencies were “at a breaking point” when it comes to providing public services to
13 regional immigrants; and

14 **WHEREAS**, in letters that were transmitted to Vice President Joseph R. Biden,
15 Jr. and Speaker John Bohner on February 15, 2015 from Assistant Secretary of the
16 Interior for Insular Areas Esther Kia’aina, concerning the Department of the Interior’s
17 report to the Congress: 2014 Compact Impact Analysis, along with the related report:
18 Impact of the Compacts of Free Association on Guam during Fiscal Years 2004 through
19 2013 from the Governor of Guam, the Assistant Secretary acknowledged that, “It has
20 been evident over the years that the costs of migration in several United States affected
21 jurisdictions are greater than Federal reimbursements”; and

22 **WHEREAS**, previous Guam legislatures have adopted numerous legislative
23 resolutions, and Governor Edward J. Baza Calvo and former governors of Guam have
24 appealed to previous members of the United States Congress and to President Barack
25 Obama and previous U.S. presidents requesting reimbursement for unpaid compact-
26 impact costs and to increase funding in Guam’s share of the Thirty Million Dollars
27 (\$30,000,000.00)); and

28 **WHEREAS**, on February 10, 2015 Congressman Mark Takai, (D-HI-1) along with
29 Congressman Gregorio Kilili Camacho Sablan (D-MP-At Large), Congresswoman Tulsi
30 Gabbard (D-HI-2) and Congresswoman Madeleine Bordallo (D-GU-At Large), also
31 called the "Compact-Impact Aid Act of 2015" ; and

1 **WHEREAS**, H.R. 854 recognizes that insufficient sums have been appropriated to
2 cover the costs incurred by Guam, the CNMI, and the State of Hawaii, resulting from
3 increased demands on health, educational, and other social services by individuals from
4 the Federated States of Micronesia, the Republic of the Marshall Islands, and the
5 Republic of Palau; and

6 **WHEREAS**, it is the purpose of H.R. 854 to address the unfunded mandate and
7 adverse financial consequences resulting from the compacts by meeting the obligations
8 set forth in the compacts by increasing the authorized and appropriated Thirty Million
9 Dollars (\$30,000,000) annually to One Hundred Eighty-Five Million Dollars
10 (\$185,000,000.00) annually; and

11 **WHEREAS**, the Guam Legislature unequivocally supports the proposed amendment
12 to the Compact of Free Association of 1985 which would increase the impact costs from
13 Thirty Million Dollars (\$30,000,000) annually to One Hundred Eighty-Five Million
14 Dollars (\$185,000,000.00) annually to provide for adequate compact-impact aid to
15 affected states and territories, and for other purposes, and does specifically support H.R.
16 854; now, therefore be it

17 **RESOLVED**, that I *Mina'Trentai Tres Na Liheslaturan Guahan* does hereby, on
18 behalf of the people of Guam, urgently petition the United States Congress to increase the
19 annual appropriation for compact-impact aid from Thirty Million Dollars (\$30,000,000)
20 to One Hundred Eighty-Five Million Dollars (\$185,000,000.00) to help defray the cost of
21 services as a result of an increased demand for health, educational, social, and public
22 safety services; and for infrastructure related to such services, due to the residency of
23 migrants from the Freely Associated States in affected jurisdictions.; and be it further

24 **RESOLVED**, that the Speaker certify and the Legislative Secretary attests to the
25 adoption hereof and that copies of the same be thereafter transmitted to Ms. Esther P.
