The Bureau requests that Bill No. 383-31 (COR) be granted a waiver pursuant to Public Law 12-229 as amended for the following reason(s):

The Bill is administrative in nature in that it proposes to amend § 12015.5(b) of Chapter 12, Title 12 GCA relative to requiring public notice for the Amortized System Development Charge Program (ASDC). In addition to public notice provided during the ASDC application process, the Bill proposes that notice *shall* be included in Guam Waterworks Authority (GWA) ratepayer monthly bills; *and* in a written notice posted at each Mayor's office and on GWA's website. GWA *shall* also include the address and telephone number of the Guam Housing Corporation in its public notices.

According to the GWA, they are currently providing sufficient public notice to rate payers as called for by the Bill. The GWA anticipates that there will be no additional fiscal impact on the GWA if implemented.
