---------------------------------------	-----------------------	---	--------------------------

**Footnotes: 1/**  
This involves a reprogramming of appropriation from the un-appropriated fund balance of the Guam (Territorial) Highway Fund. The proposed legislation amends item 1(G), Section 2 of P.L. 32-053 to include the Municipality of Sinajana in Attachment S to receive a share of the \$2,009,000, currently allocated to eighteen (18) municipalities based on Attachments A thru R, or about \$111,611 for each municipality. If enacted, the number of municipalities to receive fund allocation will change from eighteen (18) to nineteen (19), or a change from about \$111,611 to \$105,737 for each municipality, as a result of the redistribution (see Attachment). Funds are available based on the AS 100 General Appropriation records for FY 2013 as of November 31, 2013.
