The Bureau requests that Bill No. 137-33 (COR) be granted a waiver pursuant to Public Law 12-229 as amended for the following reason(s):

Bill No. 137-33 (COR) is an Act to amend the land transfer for George Toves as authorized by P.L. 28-68 to be area for area not to include land used by a military utility easement.

The proposed legislation is intended to exclude the area of Lot No. 10120-21NEW-9 that is being utilized by the military utility easement known as MU-T-10 as part of the initial land transfer, which is approximately 766± square meters. To compensate for the decrease in transferrable land authorized in P.L. 28-68, the proposed legislation will designate approximately 766± square meters from an unused adjacent lot assigned to the Chamorro Land Trust Commission known as Lot No. 10120-21NEW-8.

Section 3 of the proposed legislation stipulates that the properties will be exchanged on a value-for-value basis. There is no component of the Bill that requires an act to make any changes to the properties' existing infrastructure.

The intent of the Bill poses no fiscal impact upon any funds of the Government of Guam.
