The Bureau requests that Bill No. 138-33 (COR) be granted a waiver pursuant to Public Law 12-229 as amended for the following reason(s):

Bill No. 138-33 (COR) is an Act to amend Title 21 GCA, Chapter 61, Section 61217, Federal Excess Land Zoning to provide clarity and maintain uniformity on all zone change processes.

Title 21 GCA, Chapter 61, Section 61217 currently contains language that allows any landowner of federal excess land returned by the Government of Guam to apply for higher zoning designations. However, this language has various requirements that make changing returned federal excess land significantly more complicated than applications for zone changes of all other properties.

Section 2 of the proposed legislation includes the amendment to make approval for zone changes for returned federal excess lands be processed through the Department of Land Management's existing rules, regulations, procedures, and policies.

The intent of the Bill poses no fiscal impact upon any funds of the Government of Guam.
