The Bureau requests that Bill No. 179-33 (COR) be granted a waiver pursuant to Public Law 12-229 as amended for the following reason(s):

Bill No. 179-33 (COR) is an Act to add a new subsection (d) to §2107 of Chapter 2, Title 2, of the Guam Code Annotated to require a Department of Land Management recorded map be included in land bills.

The Bill is mandating the Department of Land Management (DLM) to provide a copy of the recorded map for any Government of Guam property subject to land transfers and/or land leases conducted through legislation. The Bureau has recognized that all Government of Guam properties are already registered and recorded with the DLM and has determined that there is no potential revenue to be received by the DLM in the form of recording fees.

The intent of the Bill is administrative in nature and poses no fiscal impact upon any funds of the Government of Guam.
