The Bureau requests that Bill No(s), 200-33 (COR) be granted a waiver pursuant to Public Law 12-229 as amended for the following reason(s):

Bill No. 200-33 (COR) is an act to add a new § 79601.3 to Title 21 Guam Code Annotated, relative the Pacific Radiation Survivors Monument.

This Bill proposes to add a new subsection authorizing the Pacific Association of Radiation Survivors (PARS) to erect a "Guam Nuclear Down winders Memorial Monument" not more than twenty feet (20') in length and twenty feet (20') in width at the northern segment of Skinner Plaza, Hagatna.

The intent of the Bill is administrative in nature and poses no fiscal impact upon any funds of the Government of Guam. This is so as Section 1 of the Bill contains provisions which states that the government of Guam shall not be held liable or responsible for any expenses related to the construction and maintenance for the aforementioned monument.
