BUREAU OF BUDGET AND MANAGEMENT RESEARCH COMMENTS ON BILL NO. 276-33 (COR)

The proposed legislation intends to keep the Cushing Zoo operational for its continued conservation practices of endemic species of flora and fauna, education of the public on conservation efforts, and steadfast awareness and appreciation of flora and fauna. Cushing Zoo first became operational through the passage of P.L. 19-34, which authorized the Governor of Guam to execute a lease to James W. Cushing on a portion of Lot 5133-1, Tumon, Dededo, for use as a zoo, botanical garden, and marine exhibit under the conditions that Mr. Cushing pays One Thousand Dollars (\$1,000) a month for a twenty (20) year period.

Section 2 of the proposed legislation adds a new §75125 to Chapter 75, Title 21 Guam Code Annotated which designates the current site known as Cushing Zoo as a Biodiversity Conservation Easement. The new §75125 includes a provision to pay rent expenses to the Chamorro Land Trust Commission (CLTC) in the amount of \$1,000/month. Also included in the new §75125 is a clause to revisit the monthly rent payment amount every three years, in which any increases shall not be more than 10% of the current payment amount. Unlike P.L. 19-34, the new §75125 makes the agreement permanent instead of the former 20 year lease term.

In addition, the new §75125 outlines reversion clauses that would place the subject property back into the Chamorro Land Trust land inventory as a Biodiversity Conservation Easement. The clauses include Cushing Zoo terminating its business or ceasing to exist, rent payments not being made, conservation efforts not being fulfilled, and noncompliance with the United States Department of Agriculture and Environmental Laws.

Although minimal, there is potential for additional revenues to be received by the CLTC in the form of increased rental payments. This is due to the new §75125 authorizing the CLTC to increase the rent payment amount after every three years at no more than 10% of the original amount. If the proposed legislation becomes law in FY 2016, the yearly rent payment to be received by the CLTC increases to \$13.2 K in FY 2019, \$14.5 K in FY 2022, \$15.9 K in FY 2025, and can continue until any of the reversion clauses becomes applicable.
