---------------------------------	----------------------	--------------------------------	--------------------------

Bill 307-33 (LS) will allow for the Guam Police Department (GPD) to pay for court ordered obligations from prior years. GPD has estimated a total amount of \$948,931 which consists of 1) promised compensations settlements; 2) adverse action settlements; and 3) estimated costs in reference to the 40-43 hours work shift civil case. Please note, as of April 29, 2016, it is anticipated GPD will incur a shortfall of approximately \$1.7M for Fiscal Year 2016 excluding the subject funding requirement. Additionally, potential fund sources to cover this obligation, if any, won't be known until September 2016. However, it should be noted that certain executive line departments / agencies funded by appropriations in Chapter V of P.L. 33-66 are projecting shortfalls by the close of FY2016. As such, it is highly unlikely that adequate funds will be available for transfers unless an alternate fund source is identified or additional appropriations are made from revenues in excess of those adopted in P.L.33-66 (FY2016 Budget Act).
