**Footnotes:**  
Bill 311-33 (COR) is relative to the unlawful distribution of images depicted in state of nudity or in sexual activity. The Office of the Attorney General (OAG) noted that it is unable to determine the fiscal impact of the bill because it is basically a newly proposed crime. This bill will expand the scope of work of the OAG as it will include minors and adults in its population of cases. With this being a new type of crime, the OAG is not able to determine the number of cases that may come into its office. It should be noted that Section 1 of the bill specifies a fine of not more than \$1,000, imprisonment or both for first offenses.
