The Honorable Judith T. Won Pat, Ed.D. Speaker

I Mina' Trenta Na Liheslaturan Guåhan
155 Hesler Place
Hagåtña, Guam 96910

Dear Speaker Won Pat:

Attached is Bill No. I(LS) "AN ACT TO AUTHORIZE TAX CREDITS TO THE LESSORS OF THE TEMPORARY LOCATION OF THE JOHN F. KENNEDY (JFK) HIGH SCHOOL CAMPUS" which I signed into law on June 25, 2009 as Public Law 30-37.

I would like to thank I Liheslaturan Guåhan for their expeditious response to the needs of the George Washington and John F. Kennedy High school communities. Through this new law, we will end double sessions and provide a quality learning environment for approximately 5,000 students.

As we have noted in the past, Governor Camacho and I are committed to building a new permanent JFK in its current location—doing so in time for school year 2010-2011. As we have heard from both the Guam Public School System, and the Guam Economic Development Authority; the completion of a contract for the rebuilding of JFK is moving quickly and they plan to break ground next month.

Our administration will keep a close eye on this process; ensuring that it is completed within the quickest possible time. We look forward to working with the legislature on any needed legislation as this process moves forward.

I am confident that with your continued help and hard work the JFK Islanders will be home soon.

Sincerely,

MICHAEL W. CRUZ, M.D.

I Maga' Låhen Guåhan, para pa'go Acting Governor of Guam

AN ACT TO AUTHORIZE TAX CREDITS TO THE LESSORS OF THE TEMPORARY LOCATION OF THE JOHN F. KENNEDY (JFK) HIGH SCHOOL CAMPUS.

BE IT ENACTED BY THE PEOPLE OF GUAM:

Section 1. Legislative Findings and Intent. The closing of John F. Kennedy

(JFK) High School, due to disrepair, old age, poor maintenance, and the lack of

upkeep of the campus, has displaced its students, faculty and staff. Temporarily, JFK

High School has been sharing campuses in a double-session schedule with George

Washington (GW) High School, and I Liheslaturan Guåhan finds this to be a very

unconducive environment that hinders the work production of our teachers and the education of our students. *I Liheslatura* has taken all measures to make sure efforts to rebuild the JFK High School campus in upper Tumon will be completed. But until such completion of the construction, the JFK High School community will still be displaced.

I Liheslatura further finds that the government of Guam is financially strapped and may not be able to afford payments for a lease to temporarily house the JFK High School community while construction is being conducted on the new permanent campus. It is, therefore, the intent of I Liheslatura to authorize tax credits to a lessor who is willing to provide for property and a facility conducive for a school environment for JFK High School free of charge.

Section 2. Definitions. As used in this Act, the term

- (a) Government of Guam shall mean the government of Guam, its agencies, divisions, and departments.
- (b) Lease shall mean the contract between the Lessor and the Government of Guam for the lease and maintenance of Interim Facilities for JFK High School and the purchase of Collateral Equipment.
- (c) Lessor shall mean the party who has been selected by I Maga'lahen Guåhan for the lease and maintenance of Interim Facilities for JFK High School and the purchase of Collateral Equipment. Lessor, as used in this Act, shall also mean and include any assignee or transferee of the rights, credits and off-sets as allowed in this Act.

Section 3. Payment of Lease Expenses. In lieu of any cash payment from the government of Guam to the Lessor for lease expenses, the government is authorized to issue tax credits. The tax credits authorized under this Act *shall* be permitted as follows:

1 (a) The Lessor may utilize tax credits for the lease payments against
2 Business Privilege Taxes, as contained within Chapter 26, Title 11 of the Guam
3 Code Annotated.

- (b) The parties or persons entitled to utilize the credits as set forth in this Act shall be as follows:
 - (1) If the Lessor is a corporation, then the Lessor and any shareholder owning or holding a minimum of five percent (5%) in the corporation shall also have the right to use the credits.
 - (2) If the Lessor is a partnership, then all the partners shall have the right to use the credits. If a partner is a corporation, then the rights as set forth above concerning corporations shall apply to the corporation and its shareholders.
 - (3) If the Lessor is a person or persons, then such rights shall apply to a person or persons.
- (c) The tax credit authorized herein *shall* be freely assignable and transferable to any party, company, partnership or corporation. The assignment and transfer may be by gift or may be for legal consideration. Any assignment and/or transfer *shall* be in writing, notarized, and an original thereof *shall* be filed with the Guam Economic Development Agency (GEDA), with a copy to the Department of Revenue and Taxation.
- **Section 4.** Appropriation. Notwithstanding any provision of Law, *I Liheslaturan Guåhan* hereby appropriates to the Office of *I Maga'lahen Guåhan* a total of Eight Million Four Hundred Thirty-eight Thousand Dollars (\$8,438,000) from the General Fund as a result of the Administration's decision to withhold income tax from COLA payments for the following:
 - (a) Three Million Nine Hundred Forty-four Thousand Dollars (\$3,944,000)

- to be used for collateral equipment necessary for the interim JFK Facilities pursuant to IFB No: GSA-025-09, which equipment *shall* be transferred to JFK upon completion of its permanent campus;
- (b) Four Million Four Hundred Ninety-four Thousand Dollars (\$4,494,000) to be used as payment for a one (1)-year contractual agreement for a temporary school facility for the interim JFK Facilities pursuant to IFB No: GSA-025-09, with the option to renew said lease on an annual basis, subject to the availability of funds;
- 9 (c) This appropriation shall *not* be subject to transfer authority of *I Maga'lahi* and *shall* be utilized solely for the purposes herein.
- Section 5. Report. The Guam Economic Development Agency (GEDA)

 shall submit an annual report to *I Liheslaturan Guåhan* detailing the impact of this

 Act on the Business Privilege Taxes, until the amount of the tax credit is fully exhausted.

- Section 6. Inclusion in *I Maga'lahi's* Annual Budget Request. *I Maga'lahen Guåhan shall*, in each fiscal year's budget submission to *I Liheslatura*, account for the annual amount of tax credits, rebates and offsets used for the purposes stated in this Act.
- Section 7. Severability. If any provision of this Law or its application to any person or circumstance is found to be invalid or contrary to law, such invalidity shall not affect other provisions or applications of this Law which can be given effect without the invalid provisions or application, and to this end the provisions of this Law are severable.
