In accordance with the Administrative Adjudication Law, a public hearing was held on Monday, September 14, 2009, at 9:30 a.m. in the GMHA Boardroom, to solicit public opinion on the Hospital's 35 New Rates Fees and Charges.

Present were: (Refer to Exhibit 10 - GMHA Public Hearing Attendance Sheet).

Note: Copies of the Public Hearing Agenda (Refer to Exhibit 9 – GMHA Public Hearing Agenda) and the Listing of Hospital Fees (Refer to Exhibit 3 - GMHA Summary of Fee Items/Services) were made available to all attendees.

### **I. Introduction**

Ms. Jane Flores introduced herself as the Presiding Public Hearing Officer for this public hearing. Our public hearing recorder was Mrs. Candy Chan. Ms. Flores began conducting the public hearing at 9:46 a.m., Monday, September 14, 2009.

She indicated that this public hearing was originally advertised to start at 9:30 a.m. but we had allowed a grace period of fifteen minutes for additional attendees from the public to attend this hearing. She would like to note that we do have participation of hospital employees from Operating Room, Pharmacy, and Quality Improvement at this hearing. They would be able to answer any questions in the event the public had any concern about the new fees.

### **II. Opening Remarks**

On behalf of the GMHA Board of Trustees, the Hospital Administrator, and the GMHA employees, Ms. Flores welcomed the public for being present at the public hearing.

### **III. Purpose of the Public Hearing**

Ms. Flores stated that the purpose of this public hearing was as enacted in Public Law 26-66 in December 2001, which removed the rate-setting jurisdiction from the PUC and gave it to the GMHA Board of Trustees. It was noted under:

## 10 GCA §80105 Hospital Rates

“(b) The Authority may establish interim fees for new, un-tariffed services, medication and supplies, without prior legislative approval and without compliance with the Administrative Adjudication Law; provided, that : (1) the interim fees are consistent with the Authority’s Net Revenue Enhancement Engagement Pricing Model, as prepared by Deloitte & Touche, dated February 7, 1992, or such other protocol as may be approved by the Board of Trustees; and (2) a petition for permanent approval of the interim fees is filed by the Authority with I Liheslaturan Guahan within three (3) months of the Authority’s establishment of the interim fee.”

Ms. Flores added that the Hospital had a total of twenty-four (24) public hearings ranging from fiscal years 2002 through 2009. A total of 3,300 new fees and a total of 2,181 updated professional fees had been introduced and adjudicated.

In compliance with the Administrative Adjudication Law and the Guam Code Annotated directives, the Hospital published the announcement of this public hearing in the Pacific Daily News and the Marianas Variety (Refer to Exhibit 5 – GMHA Newspaper Notices of Public Hearing). The Notice was also distributed throughout the Hospital departments and units and also posted in various public areas within the Hospital.

In addition, the Hospital also sent the Notice via facsimiles to various news media organizations, the Offices of the Governor and Lieutenant Governor, the Congressional Representative, and to our elected Senators of the 30<sup>th</sup> Guam Legislature (Refer to Exhibit 6 - GMHA Fax Notifications of Public Hearing). In addition, the Notice was also sent to our local third party payers inviting them to this public hearing with the listing of new fees for their reference. (Refer to Exhibit 7 - Letters inviting Third Party Payers to Public Hearing).

The Hospital also posted the Notice on its official website as mandated by public law. The website is [www.gmha.org](http://www.gmha.org) (Refer to Exhibit 8 – Press Release Notice of Public Hearing displayed on GMHA website).

## IV. Presentation of Summary of New Fee Items

Mr. Frumen Patacsil introduced himself being in charge of the Hospital’s Charge Library. He indicated that we were presenting today a total of Thirty-five (35) new fee items submitted by various departments of the Hospital for the past three months. The summary of these fee items/services were as follows:

Departments	Fee Item	Description

Operating Room	14	Supplies
Laboratory	4	Services
<b>TOTAL:</b>	<b>35</b>	Fee Items

## **V. Testimonies from the Public**

Ms. Flores noted that in addition to these new fees, the Hospital Charge Description Master (CDM), which list all the Hospital charges and fees are available on our website, in case the public can refer to if they have any questions. Please contact Ms. Candy Chan if you have any questions about the CDM and she would refer the questions to the appropriate person.

At this time, Ms. Flores referred to anyone who had signed up for testimony regarding these new fees. It was noted that no attendee had signed up for testimony. Ms. Flores indicated that the public would have the opportunity to submit a written testimony to the Hospital Administrator within five (5) days after this public hearing. These testimonies would be incorporated into the submission package to the 30<sup>th</sup> legislature subsequent to the approval by the Board of Trustees. It should also be noted that there was no public participation but only hospital employees present at this public hearing.

## **VI. Questions and Answers on the Hospital Rates Fees and Charges**

# Forced to shrink, Army National Guard is now pickier

*"To get in now, you have to be the cream of the crop."*

COLUMBUS, Ohio (AP) — Suffer from a bad case of acne? That could disqualify you from joining the Army National Guard. Too many speeding tickets? In today's slimmer, smarter Guard, that could keep you out, too.

Under pressure from the Pentagon to trim its ranks, the Guard has been quietly phasing in new restrictions that make it harder to enlist.

"To get in now, you have to be the cream of the crop," said Sgt. 1st Class Brian Clum, a recruiter in Ohio.

Military officials portray the cutbacks as an effort to trim excess from a Guard force that was bloated from years of successful recruiting, especially during the recession.

Christopher Runyon, 19, stands outside of his home in Clouster, Ohio. Runyon has been unable to enlist in the armed services after failing his Armed Services Vocational Aptitude Battery exam. Under pressure from the Pentagon to trim its ranks, the Guard has been quietly phasing in new restrictions that make it harder to enlist.

by the National Guard's top recruiting commander early this year, the maximum enlistment age was lowered from 42 to 35.

And the minimum score on the Armed Services Vocational Aptitude Test, the exam required by all branches of the military, was raised for the Guard from 31 to 50 out of a possible 100.

Also, the Guard stopped forgiving potential recruits for offenses such as theft, assault, driving under the influence or chronic lawbreaking.

And it stopped issuing medical waivers, which allowed recruits to be admitted despite health problems as serious as an extreme food allergy and as minor as a painful bout of acne.

In addition, the Guard's budget for bonus money has been cut. While most recruits since 2006 got \$20,000 just for signing up, now only a precious few are eligible for any bonus money at all.

Col. Mike Jones, the Guard's top recruiting commander, said a higher percentage of applicants are being turned away compared with just a few years ago, though he would not give precise figures.

Several states, including Georgia and New York, have long waiting lists of the aspiring soldiers they have rejected.

For some recruiters, the shrinking Guard is a source of frustration and envy, particularly since the regular Army is growing.

"We literally turn people away every day that want to serve and we can't take them," said Lt. Col. Anthony Abbott, recruiting commander for the Georgia Army National Guard.

But there are suspicions inside the Guard and out that the reductions are part of an effort to shift the burden of fighting overseas onto the active-duty Army and ease the public outcry over the way that Guard units — part-time soldiers normally called into action during hurricanes and other disasters at home — have been sent on long, repeated combat tours in Iraq.

*"We literally turn people away every day that want to serve and we can't take them."*

In fact, while the Pentagon has cut the National Guard by about 9,000 soldiers to 358,200 over the past six months or so, the nearly 549,000-strong active-duty Army is under orders to recruit 70,000 new soldiers by the end of September and 22,000 more in the coming fiscal year as the fighting in Iraq winds down and the war in Afghanistan escalates.

# Royals beat Tigers for 3-game sweep

## The Associated Press

Alex Gordon and Alberto Callaspo homered, leading the last-place Kansas City Royals past the Detroit Tigers 7-4 on Thursday for a surprising three-game sweep of the AL Central leaders.

It was the first three-game sweep of an American League team at home this season for the Royals. They've won four straight overall for the first time since June 12-16.

Zach Miner (6-5) gave up three runs and five hits in relief for the Tigers, who rolled into town Tuesday on a six-game winning streak, fresh off a three-game sweep at Tampa Bay.

Yuniesky Betancourt drove in two runs for Kansas City, last in a division the Tigers lead by 5-1/2 games over Minnesota.

Roman Colon (2-3) got the win with 1-1/3 innings of scoreless relief. Carlos Rosa pitched the ninth for his first

major league save.

**▲ Angels 3, Mariners 0:** John Lackey pitched a five-hitter for his first complete game of the season and Torii Hunter hit a tie-breaking two-run homer, leading the Angels to the victory.

Lackey (10-7) struck out seven and walked one, finishing in 115 pitches to help the Angels increase their AL West lead to five games over idle Texas. Los Angeles also moved a season-best 29 games over .500.

**▲ Blue Jays 3, Twins 2:** Minnesota keeps failing to

pressure Detroit in the AL Central.

Jose Bautista hit a solo homer and Brett Cecil won his final start of the season to lead Toronto to a victory over the Twins.

## National League

**▲ Rockies 5, Reds 1:** Garrett Atkins hit a two-run homer and Jason Giambi had a two-run double in a five-run third inning, sending the Colorado Rockies to their seventh straight win, 5-1 over the Cincinnati Reds on Thursday.

**▲ Nationals 8, Phillies**

**7:** Ian Desmond homered and drove in four runs in his major league debut, Liván Hernández pitched effectively into the eighth inning and Washington held off Philadelphia.

**▲ Marlins 13, Mets 4:** Nick Johnson drove in four runs and Florida beat the listless New York Mets to gain ground on Philadelphia in the NL East.

**▲ Braves 9, Astros 7:** Garret Anderson drove in three runs, Nate McLouth homered and Atlanta broke out of its offensive slump.
