Re: Bill No. 300-30 re: Amendment of Port's Performance Management Contract Law

Dear Madame Speaker Won Pat:

The Office of the Attorney General supports the intent of Bill No. 300-30 as submitted by the Honorable Felix P. Camacho, Governor of Guam, to amend §10401 of Title 12 G.C.A. When §10401 was enacted into law in 2007, it had imposed a timeline that required the Port to award a performance management contract within 120 days to 150 days of the procurement solicitation. This timeline did not anticipate other legal requirements that included the requirement of approval by the Public Utilities Commission and the new role of the Attorney General in the procurement oversight and advisement of the award of contracts whose value is estimated to be \$500,000 or more. The proposed amendments to §10401 would extend the timeline to award such a contract from 120 days to 150 days, to no more than 220 days of the issuance of the RFP, MSB, or IFB, and authorizes the Attorney General to extend such timelines as it deems necessary and reasonable.

Sincerely,

Alicia G. Limtiaco
Attorney General

Clerk of the Legislature
