Dear Speaker Won Pat:

Hafa Adai! As a result of today's round table meeting with the Guam Fire Department (GFD), I have introduced Bill No. 376-30, which appropriates \$100,000 to GFD for the repair of eight ambulances. Madame Speaker, every day that passes another life is in danger. Now that an immediate solution to this shortage has been proposed, the Legislature has a responsibility to address it in session.

I respectfully request you certify that emergency conditions exist, given the danger to both the public's health and safety, and allow this bill to be heard on the session floor in next week's session.

Si Yu'os Ma'ase,

Ray Tenorio
Senator, 30th Guam Legislature
