Re: Standing Water/Request Water Blasting

Hafa Adai Speaker Won Pat!

With the recent rains there have been safety concerns caused by standing water and sidewalks with algae. Before anyone gets seriously injured I would request water blasting of the surrounding sidewalks to remove algae. Additionally, standing water causes slipping hazards.

As you know the Department's limited maintenance and capital improvement resources are concentrated on supporting the schools. Therefore, your attention to this matter is greatly appreciated.

Sincerely,

NERISSA BRETANIA UNDERWOOD, PH.D.
