GUAHAN ANCESTRAL LANDS COMMISSION

Resolution No. 2010-004
December 29, 2010

Whereas the Guahan Ancestral Lands Commission (GALC) previously on April 20 2010 passed a Resolution about its concerns that the Liheslaturan Guahan is taking land in its inventory that is supposed to be administered by GALC for the benefit of persons who would have valid ancestral lands claims but whose lands have not been returned by the federal government, and

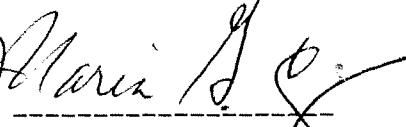

Whereas the lease proposed by Public Law 30-92 to be given to the Farmers' Cooperative Association of Guam, Inc is yet another such instance of land being taken from the inventory of the Guahan Ancestral Lands Commission, and

Whereas Public Law requires that the proposed lease to the Farmer's Co-op to be executed only after the Guahan Ancestral Lands Board of Commissioners has approved it.

NOW THEREFORE, BE IT RESOLVED that the Guahan Ancestral Lands Board of Commissioners declines to approve said lease to the Farmer's Co-op, since to do so would be contradictory to the GALC's statutory fiduciary obligation to manage such lands for the benefit of dispossessed ancestral land owners.
