Memorandum

To: Governor of Guam

From: Chief Procurement Officer

Subject: Sixth Certificate of Emergency for Screening and Diagnostic Services for the Guam Breast and Cervical Cancer Early Detection Program

Please find attached a memorandum from the Director of the Department of Public Health and Social Services, a request for a Sixth (6) Emergency Procurement for Screening and Diagnostic Services for the Guam Breast and Cervical Cancer Early Detection Program.

Such services, as indicated in the memorandum is required to comply with federal mandate to women with abnormal screening results. Currently there are 80 patients awaiting services. The memorandum indicated that these contracts are with the Attorney General for approval. Since the last request for emergency, the Attorney General has responded to the bid and requested eleven (11) revisions to the bid to which we responded. The department is awaiting the response to revision. The Department has sent these revisions to the vendor and is awaiting a response.

Based upon the above, I CLAUDIA S. ACFALLE, pursuant to 5 GCA Section 5216, do hereby certify under the penalty of perjury that an emergency does exist for the procurement of these services and that the emergency is not being used to avoid the normal procurement process.

MEMORANDUM

To: Governor of Guam  
From: Director, Department of Public Health and Social Services  
Subject: Emergency Procurement to Cover the Cost of Screening and Diagnostic Services to Guam Breast and cervical Cancer Early Detection Program

*Hafa Adai!* The Department of Public Health and Social Services (DPHSS), Guam Breast and Cervical Cancer Early Detection Program (GBCCEDP) would like to request to undergo another emergency procurement to continue the provision of laboratory and pathology services to GBCCEDP. This arrangement is in the interim until the contract agreement is established with Diagnostic Laboratory Services, Inc. (DLS). Through the guidance of the Guam Office of Attorney General, we sent a response to DLS on March 26, 2013 regarding their March 13, 2013 letter requesting additional revisions to the Services Provider Agreement. To date we have not received DLS response. We will continue to do a follow-up regarding signing the contract.

We are requesting your approval to this request in order to continue providing the much needed screening and diagnostic services and to comply with federal mandates to provide timely provision of these services particularly to women with abnormal screening results.

I certify that the facts stated herein are true and that this certificate of emergency procurement is not being used to avoid the provision of Title 5, GCA, Chapter 5, and the Guam Procurement Law.

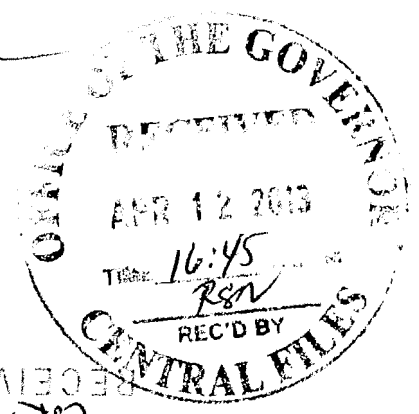

Should you have any questions or concerns regarding this matter, please contact me at 735-7102 or Venancio R. Imanil Jr., Program Coordinator IV at 735-0671/0672 or via email at [venancio.imanil@dphss.guam.gov](mailto:venancio.imanil@dphss.guam.gov). *Si Yu'us Ma'ase!*
