Dear Speaker Won Pat:

I am writing to note that the Consolidated Revenue/Expenditure report for the period ending August 30, 2013 cannot not be submitted at this time due to the on-going work by the departments of Administration and Revenue and Taxation on the data integration system. As you know, Madam Speaker, two bills which you introduced, and were recently enacted into law, provides the funds to resolve these issues. Both departments are working expeditiously to have the information systems integrated and ready to generate the data required for this report. Reports will be submitted as soon as these issues have been resolved. Your patience and support is greatly appreciated.

Thank you again for your understanding. Should you have any questions, please do not hesitate to call me.

Sincerely,

JOHN A. RIOS
