**Ref:** Department of Agriculture federal grant application submitted for intergovernmental review

*Hafa Adai* Speaker Won Pat:

This communication is to respectfully notify you the Guam State Clearinghouse (GSC) has received a federal grant application from the *Department of Agriculture, Division of Aquatic and Wildlife Resources*. The GSC has accepted the application, assigned State Application Identifier (SAI) number 16010131094Y, and has initiated the process for intergovernmental review. Information on the application is provided below:

**CFDA Number:** 15.605

**Grantor:** U.S. Department of Interior, Fish and Wildlife Service

**Grant Title:** Sport Fish Restoration Program

**Details:** The funds from this grant will be used to conduct three community meetings throughout the island and bid our requests for a marine or coastal engineer to design/draft drawings, specification, and other pertinent documents for repair of the Inarajan boat ramp.

**Start Date:** 10/01/2013

**End Date:** 09/30/2014

**Federal Amount:** \$69,110.00

Deadline for comments is **November 1, 2013** and can be sent via email to [clearinghouse@guam.gov](mailto:clearinghouse@guam.gov). This is in an effort to reduce costs associated with the review process while maintaining efficiency. This notice is sent to you as part of the intergovernmental review of this application and may be referred to the appropriate overseeing committee of *I Liheslaturan Guåhan*. The GSC point of contact designated for this application is Austin J. Duenas and can be contacted via e-mail at [austin.duenas@guam.gov](mailto:austin.duenas@guam.gov). Please convey any instruction to GSC that may be incorporated in the review of this application.

## Guam State Clearinghouse Grantee Agreement

Current Date **8/27/13**

Name of Grant **State Wildlife Grant**

Agency Name **Department of Agriculture**

Division Name **Aquatic & Wildlife Resources**

SAI Number

Grant Award Number

Grantor Name **US Fish & Wildlife Service**

Grant Amount **\$69,110.00**

Grant Start Date **10/1/13**

Grant End Date **9/30/14**

### RECITALS:

This grant agreement is entered into by the Guam State Clearinghouse and the Agency mentioned above.

Whereas *I Magsa'lahen Guahan* is the grantee of all federal grants.

Whereas the Guam State Clearinghouse is the Government of Guam's Single Point of Contact for all Federal aid programs, grants, loans, contracts, contributions, appropriations, advances, direct Federal development and other Federal funding sources for Guam.

The Agency whose name appears above agrees to the following terms:

- 1.) Adherence to the Guam State Clearinghouse's Standard Operating Procedures (SOP).
- 2.) Adherence to all reporting requirements stemming from the SOP and the grant terms and conditions.
- 3.) Ensure the funds subject to this Agreement are used in compliance with conditions, requirements and restrictions germane to local and Federal laws, and to the provisions of the grant award.
- 4.) Make records available to the Guam State Clearinghouse, the Public Auditor of Guam, federal agencies and other authorized governmental agencies for review, audit and investigation.

This agreement is entered into by the Guam State Clearinghouse and the Agency named above effective on the grant start date and terminates three (3) business days after the grant end date on:

**10/4/14**

## Instructions

- 1** Enter a name for the application in the Application Filing Name field.

  - This application can be completed in its entirety offline, however, you will need to login to the Grants.gov website during the submission process.
  - You can save your application at any time by clicking the "Save" button at the top of your screen.
  - The "Save & Submit" button will not be functional until all required data fields in the application are completed and you clicked on the "Check Package for Errors" button and confirmed all data required data fields are completed.
- 2** Open and complete all of the documents listed in the "Mandatory Documents" box. Complete the SF-424 form first.

  - It is recommended that the SF-424 form be the first form completed for the application package. Data entered on the SF-424 will populate data fields in other mandatory and optional forms and the user cannot enter data in these fields.
  - The forms listed in the "Mandatory Documents" box and "Optional Documents" may be predefined forms, such as SF-424, forms where a document needs to be attached, such as the Project Narrative or a combination of both. "Mandatory Documents" are required for this application. "Optional Documents" can be used to provide additional support for this application or may be required for specific types of grant activity. Reference the application package instructions for more information regarding "Optional Documents"
  - To open and complete a form, simply click on the form's name to select the item and then click on the => button. This will move the document to the appropriate "Documents for Submission" box and the form will be automatically added to your application package. To view the form, scroll down the screen or select the form name and click on the "Open Form" button to begin completing the required data fields. To remove a form/document from the "Documents for Submission" box, click the document name to select it, and then click the <= button. This will return the form/document to the "Mandatory Documents" or "Optional Documents" box.
  - All documents listed in the "Mandatory Documents" box must be moved to the "Mandatory Documents for Submission" box. When you open a required form, the fields which must be completed are highlighted in yellow with a red border. Optional fields and completed fields are displayed in white. If you enter invalid or incomplete information in a field, you will receive an error message.
- 3** Click the "Save & Submit" button to submit your application to Grants.gov.

  - Once you have properly completed all required documents and attached any required or optional documentation, save the completed application by clicking on the "Save" button.
  - Click on the "Check Package for Errors" button to ensure that you have completed all required data fields. Correct any errors or if none are found, save the application package.
  - The "Save & Submit" button will become active; click on the "Save & Submit" button to begin the application submission process.
  - You will be taken to the applicant login page to enter your Grants.gov username and password. Follow all onscreen instructions for submission.

## PROGRAM NARRATIVE

STATE: Territory of Guam

PROJECT NO.: \_\_\_\_\_

SEGMENT: \_\_\_\_

PROJECT TITLE: Inarajan Boat Ramp Repair

### A. NEED

Boating access facilities enhance fishing opportunities, but they must be placed where there is a documented need for them. The facilities must be constructed with structures such as adequate lighting, water for rinsing, protection from pounding energy of ocean movements, aids to navigation, be usable during high tides and low tides, and maintained in order to provide a safe and enjoyable experience for boaters and recreational fishermen.

In 2006, a boat ramp at Agfayan Bay in the municipality of Inarajan was constructed to provide an additional alternate ramp facility for fishers accessing the eastern coast of Guam to enhance their fishing opportunities (*Ref: Bill No.248 June 8, 1989*). With the closure of the often used Ylig makeshift boat ramp, the Inarajan boat ramp was also to provide the Guam Fire Department with an expedient launching site for emergency situations such as Search and Rescue operations on the east side of Guam. The Inarajan boat ramp was constructed as mitigation by the Guam Power Authority using local funds.

Unfortunately, after less than five (5) years, the Inarajan boat ramp fell into disrepair due to being in a high surf energy location and lacking protective barriers from the pounding waves of the sea (Figure 1). Agriculture's Participation survey, which does vehicle-trailer counts, recorded few but promising and progressively growing activity of trailered boaters using the facility and a favored tourist visited site. Some of the major problems with the facility include:

1. The foot of the boat ramp is currently not at a depth that enables boats to launch or to be trailered during low tides. A steep drop-off may be present at the foot of the boat ramp which may offer an engineering challenge to extending the existing boat ramp to a suitable depth for use.
2. The boat ramp site experiences rough sea conditions, which may have caused the facility's platform to detach from the pilings and the walkway (Figure 2) to fall into utter disrepair. The existing platform and walkway should be discarded and a much sturdier fixed walkway be constructed (Figure 3).

3. Aids to navigation were not provided at Agfayan Bay, preventing night time use of the facility.

During 2012, the Mayor of Inarajan requested for Agriculture's assistance with repairing and upgrading the facility (Former Mayor Franklin Taitague's March 5, 2012 letter). A request of \$150,000 was determined by the Mayor to bring the facility up to par for use. However, this may be an under-estimated cost since extending the existing boat ramp may involve pilings and backfilling.

#### **B. OBJECTIVES:**

- 1) To conduct three community meetings (Southern, Central and Northern villages) to determine if there is a need to repair and upgrade the Inarajan boat ramp facility around Guam by Feb 28, 2014.
- 2) To bid out a request for proposal (RFP) for a marine or coastal engineer to design/draft drawings, specifications, and other pertinent documents such as recommendations on altering topographical features or installing wave attenuation structure to reduce wave impacts on the proposed facility by May 31, 2014.

#### **C. EXPECTED RESULTS OR BENEFITS**

With the closure of the makeshift of the Ylig boat ramp, an opportunity exists for a similar facility to be constructed to provide the same benefits at the Ylig boat ramp: access to fishing and boating resources on the eastern side of Guam and an access point for the Guam Fire Department to utilize for emergency situations on the eastern side of the island. In addition, this would provide the Municipality of Inarajan a site to provide additional fishing and boating events such as village celebration marine-related events, swimming events, paddling competitions, and local fishing derbies. This ramp also has the potential to provide residents with another shore-based site for shore-based rod and reel and castnet fishers. A boat ramp, properly constructed, could potentially expand into a facility that allows for fishing activity to increase such as a pier.

#### **D. APPROACH**

The current boat ramp facility has fallen in disrepair after less than five (5) years and is unusable, unsafe, and not maintained.

- 1) Put out an advertisement announcing a village community meeting with the Mayor and fishermen to see if there is a need to repair and upgrade the Inarajan Boat ramp and if there is a need for other boat ramp facilities around Guam.
- 2) a. Develop and complete a Scope of Work to a repair the Inarajan Boat Ramp.

- b. Submit work request and Scope of Work to the Department of Public Works for the project.
- c. Have Public Works bid out the project to award a contract.

**E. SCHEDULE**

**Job Title**

Inarajan Boat Ramp Repair

<u>FY</u>	<u>Cost</u>	<u>Work-days</u>
'14	\$ 69,110	45

**Cost Ratio** DJ = 100%

**F. GEOGRAPHIC LOCATION:** Territory of Guam, Agfayan Bay,  
Municipality of Inarajan

**TECHNICAL STAFF**

Fisheries Biologist IV, (To be filled)  
Thomas P. Flores, Jr., Fisheries Biologist III  
Nathaniel Martin, Fisheries Biologist I

## Inarajan Boat Ramp Facility Figures

**Figure 1: Inarajan Boat Ramp: Debris on Ramp Requiring Maintenance and Damaged Walkway**

**Figure 2: Damaged Boat Ramp Walkway Submerged during High Tide**

**Figure 3: Boat Ramp Facility: Damaged Walkway and Detached Platform Free-floating in Agfayan Bay**

**Proposed Timeline: Inarajan Boat Ramp Repair**

Objective	Oct 2013	Nov	Dec	Jan 2014	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep
Meet with Inarajan Mayor proposing meeting site (Inarajan mayor's office), date, and agency	X											
Submit Purchase Order for ad in newspaper announcing Meeting		X	X									
Finalize Meeting date, time, agenda.		X	X									
Form committee that will decide on project's need	X	X										
Committee to develop general need criteria		X	X									
Proposed Meeting Day				X								
Collect Public comments. Committee to Discuss and Decide on the need of the project				X	X							
Submit recommendation to Director and Federal Aid					X							
If need exist then develop RFP criteria for the design/specifications to repair the boat ramp					X	X						
Submit RFP/work request with advertisement to DPW to bid out						X	X					
DPW to bid out the project							X	X				

Note: May be a good strategy to conduct meeting at the Inarajan Mayor's office and ask for her and her council's assistance with the meeting since the site is in her village. Ad would invite everyone island-wide and would also cover other boating access proposals. Process depends on when funding is available to advertise for meeting.

Hon. Franklin M. Taitague

Date: Monday, March 05, 2012  
To: Mariquita Flores Taitague, Director, DOA  
From: Inarajan Mayor  
Subject: Boat Ramp Improvements

**Buenas yan Hafa Adai!**

This is to request your earnest attention and support in giving full consideration for the funding needed towards the improvements of our Agfayan Bay Boat Ramp through the Sports Fishery Programs under your purview.

The Agfayan Bay Boat Ramp was made possible through a mitigation agreement between Guam Power Authority and Army Corp of Engineers. The ramp was built and completed years ago, unfortunately only enough for the utilities, parking, dock, and ramp access. Improvements needed so that it can become useful for our boaters/fishermen, GFD and GPD rescue missions, DOA Fish and Wild Life service and for other water activities are the launching pad, water dredging, signs, and boating devices. An estimated amount of \$150,000.00 is requested for these improvements.

I just learn of this potential funding source with your agency and in fulfillment of our public service work, I wish to seek your earnest attention and support in given this request your utmost consideration.

Sincerely,

Mayor Franklin M. Taitague

*Secretary of Internal  
Administration*

AN ACT TO APPROPRIATE THREE HUNDRED THOUSAND DOLLARS (\$300,000) TO COMPLETE CONSTRUCTION OF THE INARAJAN BOAT RAMP AS ESTABLISHED BY PL 20-14.

BE IT ENACTED BY THE PEOPLE OF THE TERRITORY OF GUAM:

1 Section 1. ~~Legislative Intent~~. The Legislature finds that  
2 funds appropriated by Public Law 20-14 to construct the  
3 Inarajan Boat Ramp is inadequate to complete the project. The  
4 Legislature intends to carry out the mandate of PL 20-14 and  
5 hereby provides for additional funding.

6 Section 2. There is hereby appropriated from the General Fund  
7 to the Department of Public Works the sum of Three Hundred  
8 Thousand Dollars (\$300,000) to complete construction of the  
9 Inarajan Boat Ramp as established by PL 20-14.  
10

Senator Carl T. C. Gutierrez  
Chairman Committee on Ways and Means  
Twenty First Guam Legislature

Mr. Chairman and Members of the Committee on Ways and Means

I am Marissa P. Roldan, an employee of the Department of Public Health and Social Services, under the Bureau of Health Care Financing, which administers the Medicaid, Medically Indigent and the Catastrophic Illness Assistance Programs.

The creation of positions to replace Assistance Payment Worker series to Eligibility and Claims Specialist and the Medicaid Specialist to Utilization Review and Claims Processing Officer has been an issue way back in 1985. This action was necessary primarily because everybody working for the Public Welfare Programs were identified as Assistance Payment Workers inappropriately. The position description for the Claims and Eligibility processors and Medicaid Specialist is much more than those prescribed for the APW Series.

An audit was done during the period of 12/90 through 2/91 which confirmed or justified the reallocation of positions. However supervisory positions one of which I am occupying is going to be unfairly subjected to the Merit Promotion Plan.

I am here not to speak only for myself but for the other employees who are in the same dilemma. We've been in supervisory positions and doing the job and performing the responsibilities of the position we occupy. It is going to be unfair that now that we have the position by virtue of our knowledge and work experience and that the audit has determined that we are qualified and are doing the job, why now do we have to compete for our position?

The fact is, the government is saving funds on training expenses; the quality of work is maintained, and done accurately and on a timely basis, with us who are knowledgeable and experienced in doing the job.

Since the creation of positions was intended to reclassify personnel based on the duties and responsibilities that they are doing, and compensation be allocated accurately, now that audit has determined us qualified for the job, why again then, do we have to compete for our positions.

THANK YOU

**Twenty-First Guam Legislature**

ACKNOWLEDGMENT OF RECEIPT

DATE: MAY 14 1991  
TIME: 2:30 pm  
BY: [Signature]

Mr. Benigno M. Palomo  
Director  
Department of Public Works  
P.O. Box 2950  
Agana, Guam 96910

Dear Mr. Palomo:

The Committee on Ways & Means is conducting a public hearing on Friday, May 24, 1991 beginning at 1:30 p.m. at the Legislative Public Hearing Room, located at the Pacific Arcade to gather testimony on Bill Nos. 301, 312, 340 and 350.

Your testimony on the above aforementioned is greatly appreciated. If you are submitting written testimony, the committee requires that twenty-five (25) copies be submitted.

We look forward to seeing you at the hearing.

Sincerely,

*Herminia Dierking*

### ASSURANCES - NON-CONSTRUCTION PROGRAMS

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0040), Washington, DC 20503.

**PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.**

**NOTE:** Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the awarding agency. Further, certain Federal awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project cost) to ensure proper planning, management and completion of the project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
4. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
5. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards for merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
6. Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and, (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.
7. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
8. Will comply, as applicable, with provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

9. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333), regarding labor standards for federally-assisted construction subagreements.
10. Will comply, if applicable, with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
11. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).
12. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
13. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1 et seq.).
14. Will comply with P.L. 93-348 regarding the protection of human subjects involved in research, development, and related activities supported by this award of assistance.
15. Will comply with the Laboratory Animal Welfare Act of 1966 (P.L. 89-544, as amended, 7 U.S.C. §§2131 et seq.) pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by this award of assistance.
16. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
17. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."
18. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.
19. Will comply with the requirements of Section 108(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. 7104) which prohibits grant award recipients or a sub-recipient from (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect (2) Procuring a commercial sex act during the period of time that the award is in effect or (3) Using forced labor in the performance of the award or subawards under the award.

**NEPA COMPLIANCE CHECKLIST**

State: **Guam** Federal Financial Assistance Grant/Agreement/Amendment Number:  
 Grant/Project Name: **Inarajan Boat Ramp Repair and Upgrade**

This proposal  **is**;  **is not** completely covered by categorical exclusion 1.1-1.10 **516 DM 2, Appendix 1**; and/or **516 DM 6, Appendix** \_\_\_\_\_.  
 (check (✓) one) (Review proposed activities. An appropriate categorical exclusion must be identified before completing the remainder of the Checklist. If a categorical exclusion cannot be identified, or the proposal cannot meet the qualifying criteria in the categorical exclusion, or an extraordinary circumstance applies (see below), an EA must be prepared.)

**Extraordinary Circumstances:**

Will This Proposal (check (✓) yes or no for each item below):

- | Yes                      | No                                  |   |
|--------------------------|-------------------------------------|---|
| <input type="checkbox"/> | <input checked="" type="checkbox"/> | 1. Have significant adverse effects on public health or safety.   |
| <input type="checkbox"/> | <input checked="" type="checkbox"/> | 2. Have significant adverse effects on such natural resources and unique geographic characteristics as historic or cultural resources; park, recreation or refuge lands; wilderness areas; wild or scenic rivers; national natural landmarks; sole or principal drinking water aquifers; prime farmlands; wetlands (Executive Order 11990); floodplains (Executive Order 11988); national monuments; migratory birds (Executive Order 13186); and other ecologically significant or critical areas under Federal ownership or jurisdiction. |
| <input type="checkbox"/> | <input checked="" type="checkbox"/> | 3. Have highly controversial environmental effects or involve unresolved conflicts concerning alternative uses of available resources [NEPA Section 102(2)(E)].   |
| <input type="checkbox"/> | <input checked="" type="checkbox"/> | 4. Have highly uncertain and potentially significant environmental effects or involve unique or unknown environmental risks.  |
| <input type="checkbox"/> | <input checked="" type="checkbox"/> | 5. Have a precedent for future action or represent a decision in principle about future actions with potentially significant environmental effects.   |
| <input type="checkbox"/> | <input checked="" type="checkbox"/> | 6. Have a direct relationship to other actions with individually insignificant but cumulatively significant environmental effects.  |
| <input type="checkbox"/> | <input checked="" type="checkbox"/> | 7. Have significant adverse effects on properties listed or eligible for listing on the National Register of Historic Places as determined by either the bureau or office, the State Historic Preservation Officer, the Tribal Historic Preservation Officer, the Advisory Council on Historic Preservation, or a consulting party under 36 CFR 800.  |
| <input type="checkbox"/> | <input checked="" type="checkbox"/> | 8. Have significant adverse effects on species listed, or proposed to be listed, on the List of Endangered or Threatened Species, or have significant adverse effects on designated Critical Habitat for these species.   |
| <input type="checkbox"/> | <input checked="" type="checkbox"/> | 9. Have the possibility of violating a Federal law, or a State, local, or tribal law or requirement imposed for the protection of the environment.  |
| <input type="checkbox"/> | <input checked="" type="checkbox"/> | 10. Have the possibility for a disproportionately high and adverse effect on low income or minority populations (Executive Order 12898).  |
| <input type="checkbox"/> | <input checked="" type="checkbox"/> | 11. Have the possibility to limit access to and ceremonial use of Indian sacred sites on Federal lands by Indian religious practitioners or significantly adversely affect the physical integrity of such sacred sites (Executive Order 13007).   |
| <input type="checkbox"/> | <input checked="" type="checkbox"/> | 12. Have the possibility to significantly contribute to the introduction, continued existence, or spread of noxious weeds or non-native invasive species known to occur in the area or actions that may promote the introduction, growth, or expansion of the range of such species (Federal Noxious Weed Control Act and Executive Order 13112).   |

(If any of the above extraordinary circumstances receive a "Yes" check (✓), an EA must be prepared.)

Yes  No This grant/project includes additional information supporting the Checklist.

**Concurrences/Approvals:**

Project Leader: Nathaniel E. Martin *An Joy Martin* Date: July 19, 2013

State Authority Concurrence: Celestino F. Aguon Date: July 19, 2013

*(with financial assistance signature authority, if applicable)*

*Within the spirit and intent of the Council of Environmental Quality's regulations for implementing the National Environmental Policy Act (NEPA) and other statutes, orders, and policies that protect fish and wildlife resources, I have established the following administrative record and have determined that the grant agreement/amendment:*

- is a categorical exclusion as provided by **516 DM 6, Appendix 1** and/or **516 DM 2, Appendix 1**. No further NEPA documentation will therefore be made.
- is not completely covered by the categorical exclusion as provided by **516 DM 6, Appendix 1** and/or **516 DM 2, Appendix 1**. An EA must be prepared.

**Service signature approval:**

RO or WO Environmental Coordinator: \_\_\_\_\_ Date: \_\_\_\_\_

Staff Specialist, Division of Federal Assistance: \_\_\_\_\_ Date: \_\_\_\_\_

(or authorized Service representative with financial assistance signature authority)

**Federal Aid Section 7 Evaluation Form - PHASE 1**  
**To be completed by Grantee**

[Note: If more space is needed for responses, attach additional sheets, or set up this form to accommodate your responses.]

Originating Person: Nathaniel Martin  
State/Agency: Guam Department of Agriculture

Date: July 19, 2013

1. Grant Number and Project Title: Inarajan Boat Ramp Repair and Upgrade

2. County project(s) will occur in: Territory of Guam

3. Section, township, and range (or latitude and longitude):

Municipality of Inarajan, Territory of Guam

4. Listed/Proposed/Candidate species whose range includes the project action area (area where any impacts of the action might be felt, including drifting effects due to water currents) and critical habitat present and occurring within the action area):

ESA-listed species under NMFS jurisdiction that are known or expected to occur in the waters of the Marianas Archipelago, and which may be in the vicinity of the proposed action area include threatened green sea turtles (*Chelonia mydas*), as well as endangered hawksbill sea turtles (*Eretmochelys imbricata*), leatherback sea turtles (*Dermochelys imbricata*), blue whales (*Balaenoptera musculus*), humpback whales (*Megaptera novaeangliae*), sei whales (*Balaenoptera borealis*), and sperm whales (*Physeter macrocephalus*).

Marine mammals that have been reported within Guam's water are whales, dolphins, and dugongs (Micronesica 35-36: 2003). Another whale that occurs around Guam is the shortfinned pilot whales (*Globicephala macrorhynchus*). Dolphins that have been observed within Guam's waters include Spinner (*Stenella longirostris*) and Risso's (*Grampus griseus*) dolphins. Dugongs (*Dugong dugon*), found in Palau, have been reported in Guam's waters. However, most of the species listed, such as leatherback (*Dermochelys coriacea*) sea turtles, humpback whales (*Megaptera novaeangliae*) and dugongs (*Dugong dugon*) have been observed only on rare occasions around Guam (Micronesica 35-36: 2003).

In August 2003, a pilot whale stranded less than ¼ mile north of Agfayan Bay. This is the only documented case of a marine mammal stranding near the site in recent times.

5. Describe the proposed project(s).

The Inarajan boat ramp is located on the east coast of Guam, in the village of Inarajan. It is located on the north side of Agfayan Bay, across from the popular rock formation called Bear Rock. The Inarajan boat ramp was recently completed as a local project, mitigation by the Guam Power Authority. However, the ramp soon fell into disrepair, possibly due to its design not being suited to the marine conditions of the bay. A request in 2012 was

made by the Mayor of Inarajan for the Department of Agriculture to assume the task of repairing the ramp, with an estimated cost of \$150,000 provided.

The proposed boat ramp may require extending the existing boat ramp which may require addition of pilings and backfilling into the bay, removal of the existing damaged platform and walkway, construction of a new fixed walkway, providing Aids to Navigation, providing water for rinsing.

6. What is the estimated effect of the project(s) on each listed species and critical habitat? Evaluate each action on each species.

Marine mammals are rarely observed inside Agfayan Bay at the Inarajan boat ramp facility, although cetaceans have been observed along the east code of Guam. In 2003, a pilot whale stranded approximately ¼ mile south of Agfayan Bay. All repair work done at the facility requires that contractors cease work, report marine mammal sightings, and continue work only when the marine mammals leave on their own volition. Since this area is relatively shallow, spinner dolphins are the only mammals observed to occur around the pier.

Sea turtles have also been rarely observed in Agfayan Bay at the Inarajan boat ramp facility, although sea turtles have been observed along the east coast of Guam. All construction work done at the facility will require that contractors cease work, report the turtle sighting, and continue work only when the marine turtles leave on their own volition. Green sea turtles, *Chelonia mydas*, and hawksbill sea turtles, *Eretmochelys imbricata*, are the two turtle species observed to occur around the coast of Guam.

Effect on marine mammals and sea turtles would be minimal during the construction phase. Requiring work to stop when sea turtles or marine mammals are observed minimize any interaction between the project and these species.

Coral growth occurs at the mouth of Agfayan Bay, but coral growth is minimal at the project site due to silt deposited by the nearby river. Should any construction in the water be necessary, silt screens will be used to minimize any silt from being deposited into the marine environment.

7. List any federal permits and/or biological opinions (and their permit/tracing numbers), exemptions under ESA Section 4(d), or other permit authorizations (e.g., state, territory, commonwealth or Corps permits) that may apply to this project(s):

N/A

8. List the mitigation measures associated with the project(s) that will be taken to reduce adverse effects on listed, proposed, or candidate species and critical habitat:

Contractual work at the pier and boat ramp facility has two primary conditions to deal with the presence of marine mammals and sea turtles. Construction debris is prohibited from entering the water and contractual work is required to cease when these protected species are observed in the vicinity. Also, Fisheries staff conduct on-site inspections to ensure that the contractual work comply with these conditions. All contractual work done with Boating Access funds require federal and local permits that have environmental stipulations to ensure that any possible adverse impacts to protected species are minimized. However, since these marine mammals are rarely observed in the vicinity of the boat ramp and pier, there has been no interaction with these species during work performed at the facility.

9. Agency Approval
