Dear Honorable Senators of *I Mina Trentai Dos Na Liheslaturan Guahan*:

Buenas yan Hafa Adai! We would like to thank each and every one of you for your words of encouragement and support these past few days. All too often the work performed by our employees goes unnoticed- it just gets done. From the 18 duties and responsibilities we took an oath to uphold and perform to the additional 73 related functions... every single day is different and the hard working and dedicated employees of the Mayors' Council of Guam rise to the challenges and find solutions, and take action... every single time!

The Mayors' Council of Guam- all 208 of us, (201 unclassified and 7 classified) dedicate ourselves to the betterment of this wonderful island- from coaches for our sports programs, to after-school tutors, from handymen to trashmen, from anything to anytime, all of us go above and beyond our "titles" and play a vital role in keeping our villages the special place that we all go home to at the end of the day. We are the front lines of public service; we are the first responders to any disaster or village situation. We do what we do because of a genuine love for our fellow neighbor, our village and our beloved island of Guam.

As the progress continues in our communities, it truly takes an army to make things happen- our spouses, children, and families also help us get the job done. The sacrifices we make, the struggles we face, the successes we realize have not just made our immediate families closer but have brought all of us in the Mayors' Council of Guam to be appreciative and supportive of one another.

For all that you have done for us to enhance our work and complete our missions, we are truly grateful. Today, on behalf of the combined 160,378 residents of whom we all serve, we humbly ask and look forward to your support, once again, of the Governor's revised Hay Plan.

Un Dang'kulo na Si Yu'us Ma'ase!

Senseramente,

1246
