Dear Speaker Won Pat,

Thank you for your letter of April 29, 2014 regarding the commenting period on the Supplemental Environmental Impact Statement (SEIS). I appreciate your reaching out to request an extension of the comment period from 60 to 90 days. It is vital that our community be afforded ample opportunity to review the draft SEIS and I share your sentiment that such an extension will give stakeholders a better understanding of the proposed impacts to our community as a result of the Marine relocation.

In this regard, I will write to Secretary of the Navy Ray Mabus to consider our community's request for a 30-day extension to the 60-day comment period on the draft SEIS. Again, thank you for your leadership and correspondence on this important issue.

Sincerely,

*Madeline Z. Bordallo*
