Results: Per P.L. 32-181, upon receipt of invoices, the GDOE shall verify invoices for accuracy and report its findings to the Department of Administration within (10) business days. The Department of Administration provided iLearn Academy Charter School with a two month (December 2014 and January 2015) allotment advance, totaling \$336,316.00. The IAO will validate expenses against the seed money allotted to iLearn Academy, in the month of January.

IAO's review focused on validation of December and January expenditures. Once seed money has been exhausted, iLearn will revert to a reimbursement basis and IAO will resume its validation reports. As per letter dated January 7, 2015, it stated there was a total of \$ 336,316.00 for the December/January invoice expenditures. The classifications of accounts provided by the charter school listing were;
