Subject: Resignation from Board.

Hi Lee,

Please accept my resignation as a Board Member of the GMH Board effective tomorrow, May 8, 2015.

The reason for my resignation is my appointment as CEO for the coming one year period and as CEO I am not able to continue my service on the Board.

I have very much enjoyed the opportunity I've had to participate and enjoy the comradeship of the Board and I've especially been appreciate of your leadership which had been very effective and beneficial to the Hospital.

I also want to commend Dr. Lizama on the supportive exceptional job of filling in, not only as a minuteman, but as an experienced leader that has helped calm the fears of the hospital staff and help keep their minds in a forward moving direction.

I look forward to the coming year and while I won't be a Board member I will have the opportunity to continue to associate and work with you all very closely.

May God continue to bless your efforts and leadership that is very much needed for our community.

Best Regards,
Ted
