Memorandum

To: Governor of Guam

From: Chief Procurement Officer
General Services Agency

Subject: Request for Emergency Declaration to provide
Feeding Services for the Department of Social Services'
Elderly Nutrition Program Congregate and Home Delivery

Attached is a memorandum from the Director of the Department of Public Health and Social Services' for an emergency declaration to all for the continued Elderly Nutrition Program for Congregate and Home Delivery for up to three (3) months.

As noted in their memorandum dated July 8, 2015, the Department of Public Health and Social Services' suspended the Sanitary Permit of Basil Food Industrial Services Corporation for repeated critical violations and non-compliance with local regulatory requirements, to include the lack of a certified Hazard Analysis Critical Control Point (HACCP) Plan as referenced in Section 8-201.13(A)(4) of the Guam Food Code.

The suspension of the sanitary permit results in no further food services for both the Elderly Congregate and Home Delivery programs. The Congregate services over 15 sites serving over 780 seniors and over 1,180 homebound seniors with the provision s of a hot, nutritious meal that provides a minimum of 33 1/3 percent of the current Recommended Dietary Allowance.

The procurement of these services through an Emergency Procurement as under 5 G.C.A. §5215 is necessary in order to avert a threat to the health, welfare and safety of our seniors . This declaration supersedes the one issued on July 9, 2015, as the indication of an emergency for the Department of Corrections was incorrect..

Based upon the facts provided by the Department, I, CLAUDIA S. ACFALLE, Chief Procurement Officer for the General Services Agency do certify under penalty of perjury, that a certificate of emergency is not being used solely for the purpose of avoidance of the provisions of Title 5, Guam Code Annotated, Chapter 5, the Guam Procurement law.
