## NEWS RELEASE

### Guam Public Auditor and Audit Staff Invited to IDI Global Leadership Symposium

Hagatna, Guam, November 10, 2015 – Public Auditor Doris Flores Brooks and Auditor Clariza Roque will participate at a Global Leadership Symposium in Shimla, India from November 17 to November 19, 2015 at Hotel Radisson. The Symposium is the inaugural meeting of IDI's Supreme Audit Institution (SAI) Leadership development program.

The INTOSAI Development Initiative (IDI) is a non-profit organization that serves as the capacity building secretariat of the International Organization of Supreme Audit Institution (INTOSAI). IDI is headquartered in Norway and works to enhance auditing skills in developing countries through needs-based collaborative and sustainable development programs. The Comptroller and Auditor General of India Director General L.V. Sudhir Kumar is hosting this IDI-sponsored Global Leadership Symposium. Expenses related to boarding, lodging, conduct of Symposium and travel of participants will be borne by IDI.

Leaders from different INTOSAI regions will gather to debate, and share experiences on competencies and qualities of a SAI leader and what makes an effective SAI.

IDI requested Public Auditor Brooks to select an upcoming staff. Ms. Roque, a University of Guam accounting graduate with 6 years at OPA, was nominated to join her and will participate in the young leaders forum.

Shimla, in the Himalayan Mountains, is the headquarters of India's National Academy of Audit & Accounts. It was India's summer capital from 1864 until 1947.
