\$7.7 Million. The last cash allotment received was on May 2, 2016. Anticipate receiving additional funding based on an allotment schedule with DOA. The College is still in communication with DOA, however, based on GCC's total appropriations, a \$2 Million cash reserve has been set aside but unsure when this will be released.

Capital Improvement Projects and other activities: President Okada reported the following:

-Highlights of sustainability efforts on campus from January-March 2016:

- There is a tracking of power consumption on campus due to a reporting requirement to the Guam Energy Office. Due to the solar panels on campus, the College saved approximately \$14,550 during the last quarter, which averages to \$4,800 a month.
- As a result of these savings, the FY2017 budget will not be requesting for an increase for power.
- Additionally, the College has recycled 310 lbs. of aluminum, 254 lbs. of plastic, 1500 lbs. of mixed paper, 787 lbs. food waste, approximately 190 lbs. of green waste, and 27 printer cartridges were also collected.
