Senator Ted S. Nelson  
Twentieth Guam Legislature  
Agana, Guam 96910

Mr. Chairman, these facilities outlined in Bill 825 are essential and as a matter of fact they are considered crucial elements for our youth. The lack of these facilities in our village negates developments of sport activities rendering our youth severe hardships in forming solid and well-disciplined teams to participate in island-wide sports activities or compete against various teams within our village.

As we all know, sports is not only a form of recreation but also to enhance development of characters such as esprit de corp, leadership, reliability, and ability to recognize the importance in reaching a goal--a very important factor our youth needs in preparation to adult challenges of today and in the future.

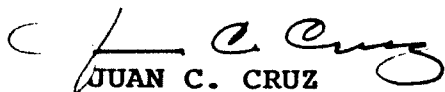

Bringing these facilities to our community will render enormous impact our youth needs to develop strong character base as well as keeping them healthy in order to insure honest productive citizens for our village in the future.

Page 2 - Bill 825

Remember the state of our community tomorrow is what  
we invest in our youth today.

Sincerely yours,

JUAN C. CRUZ
