AN ACT TO ESTABLISH A YOUNG ADULT OFFENDER
CORRECTIONAL CAMP AS A SENTENCING OPTION.

1 **BE IT ENACTED BY THE PEOPLE OF THE TERRITORY OF GUAM:**

2 **Section 1. Legislative findings.** The Legislature finds the
3 rehabilitation of inmates to be hindered by the close association between
4 those inmates of rehabilitative potential and those inmates of no such
5 potential. Further, the Legislature recognizes the value of strong discipline in
6 achieving effective rehabilitation of first-time young criminal offenders. The
7 Legislature also finds there have been astonishing successes in rehabilitating
8 young first-time criminal offenders in those jurisdictions that have
9 established para-military, or "boot camp" style, correctional camps as an
10 optional part of their sentencing process. And positive testimony pertaining
11 to such camps by those former inmates who have participated.

12 Finally, the Legislature finds no such option exists on Guam for the
13 benefit of young first-time criminal offenders.

14 **Section 2. Legislative intent.** It is the intent of this Legislature
15 to provide a sentencing option to young persons duly convicted on Guam duly
16 convicted of criminal activity for the first time by establishing a Young Adult

1 Offender Correctional Camp facility which will create an atmosphere
2 conducive to instilling individual discipline in volunteer inmates who
3 manifest attributes necessary for effective rehabilitation. Such a facility will
4 be operated with proven training methods and curricula and by personnel
5 employed in reputable military basic training institutions and similar para-
6 military facilities in other jurisdictions. It is not the intention of this
7 Legislature to provide a vehicle for physical or emotional mistreatment of
8 inmates, nor is it the intent of this Legislature to mandate or restrict any
9 existing discretion now exercised by any judge in criminal sentencing, nor to
10 impede in any way any judge's administration of justice.

11 **Section 3. Establishment.** The Director of Corrections (the
12 "Director") with the support, counsel and guidance of the Chief of Police, the
13 Presiding Judge of the Superior Court, and the Directors of Education and of
14 Youth Affairs, shall develop and plan a Young Adult Offender Correctional
15 Camp training program applicable to first-time offenders of age seventeen
16 (17) to twenty-five (25), to be known as the Young Adult Discipline Option.
17 Such a program plan (the "Plan") shall include, but not be limited to, program
18 scope, training objectives and methods, staffing requirements, facility design,
19 construction costs and estimated operational costs.

20 **Section 4. Completion of plan.** The Director of Corrections shall, on
21 or before the one hundred eightieth (180th) day from the effective date of
22 this act, complete the plan and submit it to the Legislative Committee on
23 Judiciary and Criminal Justice, which committee shall then have forty-five
24 (45) days to review the plan, approve the plan, amend or modify the plan,
25 and introduce necessary appropriation legislation to carry out the plan. In
26 the event the plan is found to be substantially flawed, it shall be returned
27 with recommendations to the Director, who shall then have an additional
28 thirty (30) days to amend the plan, and re-submit it for approval and
29 funding.

30 **Section 5. Review of program.** The Director shall submit to the
31 Legislature a review of the program and make appropriate recommendations
32 for its continuance or cessation five (5) years after adoption of the Plan.
