# PETITION

Whereas, Lot No. 5402 in Pagat, Mangilao, was designated by P.L. 21-99 for use as site for the development of housing by the Guam Housing Corporation; and

Whereas, this law was enacted on the basis of assurances by the Executive Branch that there were no residents in this lot; and

Whereas, this was not true inasmuch as there were an estimated 50 families residing in this neighborhood under arendo leases; and

Whereas, to rectify this problem, the Legislature passed Bill No. 879 sponsored by Speaker San Agustin, to transfer this lot from the Guam Housing Corporation to the Chamorro Land Trust Commission so that leases could be issued to the residents; and

Whereas, this legislation was subsequently vetoed by the Governor despite the wishes of the residents of Pagat; now therefore be it

Resolved that we, the undersigned residents of of Lot. No. 5402, Pagat, Mangilao hereby request the Guam Legislature to override the Governor's veto of Bill No. 879 in order that this lot can be transferred to the Chamorro Land Trust Commission and leases can be issued to the residents.
