REFER TO
LEGISLATIVE SECRETARY

Dear Speaker Parkinson:

Enclosed please find a copy of Substitute Bill No. 363 (LS), "AN ACT TO AMEND §3401(h) OF TITLE 16, GUAM CODE ANNOTATED, RELATIVE TO AUTHORIZING GOVERNMENT SECURITY PERSONNEL TO ENFORCE STATUTES CONCERNING ACCESSIBLE PARKING FOR PERSONS WITH DISABILITIES", which I have signed into law today as **Public Law No. 23-72**.

The current law relative to accessible parking for persons with disabilities authorizes trained private security personnel to issue citations for violations of accessible parking law. This legislation includes government security personnel also, in an effort to attain greater compliance. Presently, government security personnel may be aware of violations of the accessible parking law, but are not allowed to enforce it by issuing citations to violators. This will allow for this further enforcement of access to buildings for persons with disabilities.

Very truly yours,

Carl T. C. Gutierrez

SEPTEMBER 20, 1995

I. OVERVIEW

The Committee on Judiciary, Criminal Justice and Environmental Affairs scheduled a public hearing on September 20, 1995 at 9:30 a.m. at the Legislative Public Hearing Room. Public notice was announced on the September 19, 1995 issue of the PDN. Members present were:

Senator Mark C. Charfauros, Chairman

Senator Ben Pangelinan

Senator Ted Nelson

Senator Judith WonPat-Borja

Senator Hope Cristobal

Senator Angel L.G. Santos

Senator Tom Ada

Senator Lou Leon Guerrero

Senator Alberto Lamorena

Senator Mark Forbes, nonmember

Appearing before the Committee to testify on the bill were:

Mr. Charles Stake, Chief Prosecutor, Department of Law; **written.**

Ms. Berni Grajek, Developmental Disabilities Council; **oral.**

Mr. Rodney Priest, Protection & Advocacy of the Marianas; **oral.**

Mr. Jesus C. Torres, Governor's Commission on Person's with Disabilities;
oral.

Mr. Eric Heisel, Department of Law; **oral.**

II. SUMMARY OF TESTIMONY

Mr. Charles Stake, Chief Prosecutor, Department of Law; **written.**

Ms. Berni Grajek, Developmental Disabilities Council, testified in support of Bill 363. She stated that the Developmental Disabilities Council supports Bill 363, but was concerned about the bias' that individuals may have when issuing such citations.

Mr. Rodney Priest, Protection & Advocacy of the Marianas, testified in support of Bill 363. He stated that he was concerned about whether appropriate training would be provided for individuals issuing citations. The Chairman reassured Mr. Priest that the law requires training before any citations are issued.

Mr. Jesus C. Torres, Governor's Commission on Persons with Disabilities, testified in support of Bill 363. He stated that he was concerned about how well government security would be able to perform the duty of issuing citations. However, he stated that he would meet with the Governor's Commission on Persons with Disabilities, and would submit a formal written position on Bill 363 in the future.

Mr. Eric Heisel, Department of Law, stated that in the development of the original legislation there was concern that anyone authorized to issue citations other than law enforcement personnel may pose some liability questions. He stated that the liability issue was the reason the Attorney General's Office did not support this inclusion. However, he stated that since private security are currently authorized to issue citations, it would seem logical to include government security as well.

III. FINDING AND RECOMMENDATION

The Committee finds that the inclusion of Government Security in the enforcement of Public Law 23-11 is necessary. The Committee finds that the exclusion of such personnel has resulted in a lack of enforcement of the accessible parking law in areas surrounding government buildings. The Committee further finds that Bill 363 would allow the objectives of Public Law 23-11 to be accomplished in an effective manner by allowing for the enforcement in areas surrounding both private and government buildings.

Accordingly, the Committee on Judiciary, Criminal Justice and Environmental Affairs, to which was referred **Bill No. 363**, does hereby submit its findings and recommendation to the Twenty-Third Guam Legislature **TO DO PASS Bill No. 363** "AN ACT TO AMEND §3401.1(h) OF TITLE 16, GUAM CODE ANNOTATED, RELATIVE TO AUTHORIZING GOVERNMENT SECURITY PERSONNEL TO ENFORCE STATUTES CONCERNING ACCESSIBLE PARKING FOR PERSONS WITH DISABILITIES."

ATTORNEY GENERAL'S OFFICE

Set out below, please find the comments you requested on Bills 263, 295, 300, and 313.

Bill No. 263

p. 2, LL: 30-31 I would seek to have the exception read:

"and has been convicted of a felony for the first time relative to the possession of ~~crystal methamphetamine~~ any controlled substance"

p. 2, L: 33 A mandatory fine of \$5,000.00 may work against one of the concerns noted in the findings, the economic hardship that ice use causes families. There should be a hardship exception which the court can apply at its discretion.

Page 3- I like the idea of fines going into a drug treatment and enforcement fund. It should be noted that the drug that contributes most to crime on Guam is alcohol. It may be appropriate to suggest that, if the legislature is serious about curbing crime and substance abuse, that the alcohol tax be increased and the additional revenues placed in this fund.

This Bill, Bill No. 295, and the entirety 9 GCA Chapter 67, would benefit from several broad ranging provisions:

A section that clarifies that residual amounts of controlled substances qualify for purposes of "possession".

A provision that equates use with possession, by including in the definition of possession, the possession

in one's bloodstream of the drug (or a similar formula). The statute could make the presence of metabolites (in blood or urine) expressly admissible as evidence of possession in the bloodstream. This could also be accomplished by having a provision that directly penalizes USE of controlled substances.

Bill No. 295

As noted above, this Bill would be improved by a provision making clear that knowing use necessarily incorporates knowing possession. This would have a significant impact on the sanctions imposed on folks who test positive. Rather than the administrative provisions discussed in section 88.40, they could also be prosecuted. Prisoners would be liable for Possession and for Promoting Prison Contraband. Folks on Parole or Probation could be processed for revocation as well as outright prosecution. It is important that the Bill NOT limit sanctions imposable so as to preclude prosecution.

Consideration should be given to adding a provision that mandates urine testing for all persons ARRESTED for any felony. [This last idea flows from a federal program goal from some years back. It's constitutionality should be researched before it receives serious consideration. It may be possible to institute such a program if it is appropriately limited and the legislation is carefully worded.]

Bill No. 300 This provision should be enacted post haste.

Bill No. 313 This Bill looks good on its face. Its intent is to comply with federal grant requirements and we support this objective.

Submitted for your information.

Memorandum (Intraoffice)

To: Attorney General *9/19/95*

Via: Deputy, Litigation Division

From: Assistant Attorney General

Subject: Amendment to Accessible Parking Law

As you had requested, I am writing this memo to give you some background information on Bill No. 363.

As you know, I was largely responsible for piecing together the proposed legislation that ended up as Public Law No. 23-11, the Accessible Parking Law. While drafting it, I had numerous discussions with Ben Servino, who was then the director of the Governor's Commission on Persons with Disabilities. There were a few areas where we did not see eye to eye. For one thing, Ben wanted to include a provision in the law that would allow the deputization of certain individuals to issue traffic citations to vehicles illegally parked in accessible parking spaces. (As you recall, the word "handicapped" is verboten.) Our office decided not to include such a provision, largely because of the potentially complex liability issues that might arise. As I recall, the Guam Police Department was also against inclusion of such a provision, on similar grounds.

After our office was finished with the final draft of the legislation, we sent it to Ben. After that, several changes were made to the legislation, including the addition of 16 GCA §3401.1(h). Therefore, this provision was included without the blessing of this office.

Recently, Guam Community College has been conducting training pursuant to §3401.1(h) and certifying individuals to issue traffic citations. As you know, I conducted an overview of the Accessible Parking Law at one of the trainings on August 30. It was at that time that I realized that §3401.1 authorized certification of private employees only, those who work for private security businesses and those who work for certain, designated nonprofit organizations. Therefore, under the Accessible Parking Law, government security guards are not eligible for certification (unless they can be categorized as "law enforcement personnel," as the term is used in 16 GCA §3401.1(f)).

Memo to Attorney General
September 19, 1995
Page 2

When I followed up on this later, I learned that GCC has already certified some government of Guam security guards under the law. Since this was probably done improperly, I drafted the attached memo to the president of GCC. I advised Adolf Sgambelluri of this, and he suggested that the law should be amended to include government security guards.

Things obviously happened very quickly, because now we have Bill No. 363, which amends §3401.1(h) to include government security personnel within the categories of people who can be certified to issue these citations.

The bottom line is this: As long as §3401.1(h) is going to continue to be the law, for purposes of the Accessible Parking Law, it makes sense to include government security personnel. However, perhaps our office should continue to oppose §3401.1 in general, because of the potential liability problems. As you recall, members of the hotel association refused to attend the last certification training because it wants an opinion from this office regarding the extent of its liability in the event its security guards issue tickets under the new law. So, already, liability has become an issue in the private sector.
