Dear Speaker Unpingco:

Enclosed please find Substitute Bill No. 125 (COR), "AN ACT TO ADD §70.16 TO ARTICLE 1, CHAPTER 70 OF TITLE 9 OF THE GUAM CODE ANNOTATED, RELATIVE TO PROHIBITING THE TATTOOING, BRANDING, SCARIFYING AND PIERCING ON MINORS WITHOUT THE PHYSICAL PRESENCE OF A PARENT OR LEGAL GUARDIAN", which I have signed into law today as **Public Law No. 25-53**.

This legislation provides some guidelines for tattoos, for the use of ink and needles, and for the use of anesthesia during branding, scarifying, tattooing or piercing the body of a person.

For tattooing, the legislation prohibits tattooing a person under the age of 18 years without the physical presence of that person's parent or legal guardian.

For tattooing and piercing, the legislation prohibits the use of a needle or ink more than once, or using a needle that is not pre-sterilized or autoclaved.

For tattooing, branding, scarifying or piercing, the legislation requires subcutaneous local anesthesia to be administered by a licensed health care professional.

Very truly yours,

Committee Report on Bill 125
Publicly Heard Tuesday, May 18, 1999

Bill 125: An act to add a new §70.16 to Chapter 70, Title 9, Guam Code Annotated, relative to prohibiting the tattooing, brandings, scarifying and piercing on minors without the physical presence of a parent or legal guardian. Senator L. Kasperbauer

III. SYNOPSIS

Bill 125 proposes to make illegal the tattooing, branding, scarifying and piercing on minors without the physical presence of a parent or legal guardian. Bill 125 also proposes to place this restriction on individuals who are 18 years of age and completely make unlawful these activities for anyone 14 years or younger, even with the presence of a parent or legal guardian.

IV. TESTIMONY

Harv Angel, professional tattoo artist representing himself, provided testimony in support of the bill. He did, however, raise concern that the bill tries to place restrictions on 18 year old individuals and felt this would be unenforceable. Mr. Angel noted that he would not tattoo minors and in his place of business such a notice is posted on the door. He further noted that the Public Health requires that anyone getting a tattoo must sign-in and provide contact information. Further, Mr. Angel advised the Committee that he also asks for identification when he is not sure of the customer's age. Mr. Angel finally noted that the rules put out by Public Health go beyond the bill, and that the agency has done a good job of enforcing these rules.

John F. Tarantino, Acting Attorney General, provided testimony neither in support nor in opposition to Bill 125. He only commented that the provision applying to 18 year olds should be changed. He suggested language that will allow these activities, in the presence of a parent or guardian, for individuals below the age of 18 and over the age of 14.

Chairman Salas cautioned the committee to be careful not to make illegal something that may be accepted culturally for young people such as nose rings, cultural tattoos, etc. Mr. Angel noted that typically, other Micronesian islanders who come in to his tattoo parlor are adults.

The Committee recommended that the Bill's language be amended to clarify the age issue.

V. COMMITTEE RECOMMENDATION

The Committee recommends **TO DO PASS** Bill 125, as substituted.

I would like to thank this committee for giving me this opportunity to express my opinions about Bill 125.

As a professional tattooist and owner of Low Tide Tattoo Company, I am in general agreement with this proposal legislature. Let me point out that it is the policy of my company not to tattoo anyone under 18 years of age under any circumstances.

My concern is with Paragraph B. As it currently reads, a person that is 18 years of age would be required to be accompanied by a parent while getting tattooed. I propose that this sentence should be rewritten to say "Is unlawful to tattoo a person who is fourteen, fifteen, sixteen or seventeen yeas of age without the physical presence of that person's parent or legal guardian".

I would also like to note that some aspects of this bill are already covered by regulations enforced by the Department of Public Health and Social Services.

Thank you,

Regards,

Re: Comments on Bill No. 125, Relative to prohibiting the tattooing,
branding, scarifying and piercing on minors without the physical
presence of a parent or legal guardian

Dear Senator Salas:

Hafa Adai!

I do not have objections to Bill No. 125. However, subsection 70.16(b) should be amended to apply to all minors under eighteen (18) years of age.

Senseramente,

JOHN F. TARANTINO
