II. SUMMARY OF TESTIMONY

There were no individuals appearing before the Committee to present oral testimony on the bill.

The sponsor of the bill, Speaker Antonio Unpingco submitted Mayors' Council of Guam Resolution No. 99-01, as written testimony **in favor** of the measure. The resolution stated that the Mangilao Municipal Council deliberated and agreed on the recommendation to change the street name in honor of Mr. Torres.

III. FINDINGS AND RECOMMENDATION

The Committee on Rules, Government Reform, Reorganization and Federal Affairs finds that Bill No. 73, would be a fitting tribute to Mr. Jesus Torres. Mr. Torres, who served as a senator in the 7th, 9th, 10th, and 12th Guam Legislatures, as well as Pro-tem Judge of the Superior Court of Guam, has contributed fifteen years of invaluable service to the institution and community of the University of Guam. Under Mr. Torres' guidance, as Chairman of the Board of Regents, the University of Guam has evolved into the "flourishing institution of higher learning that it is today." During his tenure as Chairman, seven new buildings were constructed, including the College of Education, College of Agriculture and Life Sciences and the new Richard F. Taitano Micronesian Area Research Center. These accomplishments are just a few of the many contributions that Mr. Torres has made to our island's educational development.

Accordingly, the Committee on Rules, Government Reform, Reorganization and Federal Affairs, to which Bill No. 73 was referred does hereby submit its findings and recommendations to I Mina' Bente Singko Na Liheslaturan Guahan **TO DO PASS BILL NO. 73** "An act to rename a section of University Drive to J.U. Torres Drive, in honor of Jesus U. Torres' contribution to the University of Guam as a fifteen term chairman of the Board of Regents and his numerous contributions to the community as a legislator, judge, and civic leader."
