Re: Testimony on Bill No. 35

Hafa Adai Mr. Chairman, Members of the Committee:

My name is David B. Tydingco, President of the Guam Hotel & Restaurant Association, and I am here to testify in opposition to Bill No. 35, an act relative to the Antonio B. Won Pat International Airport Authority.

First of, I want to assure the Committee that the Guam Hotel & Restaurant Association is not opposed to the idea of honoring Guam's leaders by designating government facilities with their namesakes.

The problem created by Bill No. 35, especially during difficult fiscal times, is that it will require a tremendous amount of money for marketing and public relations to re-establish the Guam International Airport Authority's identity with the international community.

We believe that, if funds are available for this purpose, it should be directed at marketing Guam as a destination, creating more employment and business opportunities for our community.

I thank you for the opportunity to provide testimony on Bill No. 35.

Senseramente,

DAVID B. TYDINGCO
President

BEFORE THE PUBLIC UTILITIES COMMISSION OF GUAM
 GUAM MEMORIAL HOSPITAL AUTHORITY
 RATE HEARING
 DOCKET 99-06
 NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the Guam Public Utilities Commission will conduct a public hearing, commencing at 6:00 p.m. on November 30, 2001 at Room 202, GOC Building, 414 West Soledad Avenue, Hagåtña, to receive and consider testimony, argument and public comment on the following:

- 22 interim fees for new, unstarified service, which GMHA has initiated and which require Commission approval under 10 GCA 80105(b)
- Proposed increased fees for laboratory, radiology, respiratory and rehabilitative services and for GMHA professional fees that are below 2001 Medicare rates.
- Proposed increased rates for certain pharmaceutical supplies.
- A proposal protocol to annually update GMHA physician's fees based on Physician Fee Reference Handbook, using the 50th percentile, adjusted by geographic weighting for Hawaii
- A methodology, including a possible surcharge to provide revenues to enable GMHA to pay its bills to other autonomous government agencies. The commission's regulatory consultant (Georgetown) reports that all GMHA fees, other than professional fees, must be increased by 5.5% +/- to produce the \$3.5 million in additional annual revenues necessary to fund the proposed surcharge. Georgetown's report dated August 22, 2001 reviews the details of the rate increases, which will be considered at this hearing, and is available for public inspection at the Commission's office

Interested persons may participate in the hearing pursuant to Public Law 23-301, by application to the Commission at Suite 207, GOC Building, Hagåtña. The Commission will welcome public comments at the conclusion of the hearing. Public comments will be entertained in the order registered with Commission staff at Suite 202, GOC Building commencing at 5:30 p.m. on the evening of the hearing.

The Commission will also invite public comments on the above GMHA rate matters at additional consolidated public hearings, which have been scheduled, for the public's convenience, at the following locations and times:

5:00 p.m. December 3, 2001 - Agat Mayor's Office (Route 2, Agat)

I. OVERVIEW

The Committee on Rules, General Governmental Operations, Reorganization and Reform, and Federal, Foreign and General Affairs held a public hearing at 10 a.m. on Thursday, November 29, 2001 in the Public Hearing Room, I Liheslaturan Guahan. Public notice was given in the Wednesday, November 28, 2001 edition of the Pacific Daily News.

Senators present at the public hearing were:
Senator Mark Forbes, Chairman

II. SUMMARY OF TESTIMONY

Individuals appearing before the Committee to present oral and written testimony on the bill are as follows:

There were no oral testimonies provided.

David B. Tydingco, President, Guam Hotel & Restaurant Association, provided written testimony on the date of the cancelled public hearing on April 23, 2001. The committee accepts this testimony for Bill No. 35 for the public hearing scheduled on November 29, 2001. In his testimony Mr. David Tydingco stated that his concern for the monies appropriated to implement such a name change in the identification of the GIAA in the international community comes in a time when cash resources are limited. He makes clear that the GHRA is not opposed to honoring Guam's leaders by designating gov't facilities with their namesakes.

III. FINDINGS AND RECOMMENDATION

The Committee on Rules, General Governmental Operations, Reorganization and Reform, and Federal, Foreign and General Affairs finds that Bill No. 35 would change the name identification of the A.B. Won Pat International Airport Authority, Guam to the Antonio B. Won Pat International Airport Authority, Guam for the proper respect of Guam's first delegate in the U.S. Congress. It is befitting for the proper name to reflect the full name of the individual being honored and Bill 35 rectifies the error.

Accordingly, the Committee on Rules, General Governmental Operations, Reorganization and Reform, and Federal, Foreign and General Affairs, to which Bill No. 35 was referred does hereby submit its findings and recommendations to I Mina' Bente Sais Na Liheslaturan Guahan **TO DO PASS BILL NO. 35**, "An act relative to the Antonio B. Won Pat International Airport Authority, Guam, and all references in Guam Law to amend §1101 and §1102 of Article 1, Chapter 1, Title 12 of the Guam Code Annotated."
