Dear Mr. Speaker:

Attached is Bill No. 389-33 (COR) which was passed by the 33rd Guam Legislature and entitled, "An act to Appropriate Fiscal Year 2016 General Fund Revenues to the Government of Guam Retirement Fund. . ." I have signed this appropriation measure into law as **Public Law 33-238**, except for Section 4 (Excess Section Fund Revenues), which I have line-item VETOED pursuant to my authority under Organic Act Section 1423i.

Section 4 appropriates any FY2017 Section 30 funds received above \$74,900,290 into a special cash contingency account to be established in the Rainy Day Fund. The contingency account can only be used to cover government payroll and cost of living allowance emergency shortfalls. If expenditure needs to be made from the contingency account, an Executive Order declaring an emergency must first be issued. Any funds withdrawn to cover the emergency must be replenished at the end of the fiscal year.

The way the contingency account is funded and managed is objectionable for several reasons. First, by appropriating and segregating away what may potentially be millions of dollars into an exclusive payroll account, Section 4 unduly restricts the Governor's Organic Act authority to manage the cash flow of the government. It is ridiculous to require that an Executive Order be issued in order to make payroll. Such an unnecessary administrative layer over General Fund revenues¹ threatens not only the prompt remuneration of

¹ "Section 30 refers to a provision of the Organic Act of Guam as originally numbered, although it has since been codified as 48 U.S.C. Section 1421h. As set forth in the Organic Act, "Section 30 funds" are General Fund revenues because they are "covered into the treasury of Guam and

government employees, but also the timely payment of tax refunds, vendor payables, and the government's ability to respond to health and safety hazards.

Second, Section 4 of Bill 389 only appropriates into the contingency account those monies that represent FY2017 Section 30 funds received above \$74,900,290. But in the event that a withdrawal is made from the account, the Rainy Day Fund is to be replenished "*by the end of the fiscal year in which such withdrawal and/or expenditure occurred.*" Presumably, Section 4 contemplates that the funds used to replenish the contingency account will come from General Fund revenues and not from future Section 30 reimbursements. This is unfair, however, because General Fund revenues should not have to bear the burden of reimbursing Section 30 funds.

Finally, Section 4 is potentially inconsistent with the Guam war claims legislation that was signed into law by President Barack Obama on December 23, 2016, as part of the FY2017 National Defense Authorization Act. Specifically, according to the newly enacted GUAM WORLD WAR II LOYALTY RECOGNITION ACT,² any excess Section 30 amounts remitted to Guam are to be deposited into a special claims fund earmarked specifically for the purpose of paying war claim reparations.³

As a federal law, the Guam WWII Loyalty Recognition Act trumps the payroll contingency account sought to be established by Section 4. Because the Act requires that excess Section 30 funds be used to pay war claim reparations, it is impossible for those same funds to instead be put aside into a local contingency account or to be otherwise appropriated for purposes other than war claim reparations.

Senseramente,

EDDIE BAZA CALVO

held in account for the government of Guam, and shall be expended for the benefit and government of Guam in accordance with the annual budgets. . . ."

AN ACT TO APPROPRIATE FISCAL YEAR 2016 GENERAL FUND REVENUES TO THE GOVERNMENT OF GUAM RETIREMENT FUND; TO FURTHER *AMEND* SECTION 6 OF CHAPTER XI OF PUBLIC LAW 33-66, AS AMENDED BY SECTION 18 OF CHAPTER XII OF PUBLIC LAW 33-185; AND TO *AMEND* SECTION 8 OF CHAPTER I OF PUBLIC LAW 33-66, AS ADDED BY SECTION 17 OF CHAPTER XII OF PUBLIC LAW 33-185, RELATIVE TO THE PAYMENT OF FISCAL YEAR 2016 RETIREE MEDICAL, DENTAL, AND LIFE INSURANCE EXPENSES, AND TO PROVIDE A CASH CONTINGENCY FOR ANTICIPATED FISCAL YEAR 2017 RETIREE MEDICAL, DENTAL, AND LIFE INSURANCE EXPENSES.

1 **BE IT ENACTED BY THE PEOPLE OF GUAM:**

2 **Section 1. Legislative Findings and Intent.** *I Liheslaturan Guåhan* finds

3 that Public Law 33-66, the General Appropriations Act of 2016, adopted a General
4 Fund revenue projection of Eight Hundred Twenty-Four Million Nine Hundred
5 Ninety-Eight Thousand Two Dollars (**\$824,998,002**). *I Liheslaturan Guåhan* further
6 finds that § 22436, Article 4, Chapter 22, Title 5, Guam Code Annotated, sets a
7 General Fund Appropriations Cap wherein *I Liheslaturan Guåhan shall not*
8 appropriate more than ninety-eight percent (98%) of the total revenues projected for
9 the General Fund for the fiscal year until such time as the General Fund deficit is
10 eliminated. All unappropriated annual General Fund revenues collected in excess of
11 appropriations *shall* be used to liquidate obligations for refunds, earned income tax
12 credits and prior years' vendor payables.

13 *I Liheslaturan Guåhan* further finds that *I Maga'låhen Guåhan*, in his
14 submission of the Executive Budget Request for FY 2016, did not include such a
15 General Fund Appropriations Cap and that *I Liheslatura*, after having received the
16 results of the Government-Wide Audited Financial Statements for FY 2014
17 discovered that there was a cumulative General Fund deficit as of the end of FY
18 2014 of Fifty-Nine Million Six Hundred Fifteen Thousand Sixty-Five Dollars
19 (**\$59,615,065**) which prompted the General Fund Appropriations Cap mandated in
20 § 22436, Article 4, Chapter 22, Title 5, Guam Code Annotated.

21 *I Liheslaturan Guåhan* further finds that Public Law 33-66 includes such
22 General Fund Appropriations Cap of ninety-eight percent (98%) whereby two
23 percent (2%) was set aside for deficit reduction in accordance with § 22436, Article
24 4, Chapter 22, Title 5, Guam Code Annotated. The two percent (2%) General Fund
25 reserve for deficit reduction amounted to Thirteen Million Five Hundred Seventy-
26 Two Thousand Two Hundred Eighty-Nine Dollars (**\$13,572,289**). As a result of this

1 General Fund Appropriations Cap, this sum was *not* appropriated in Public Law 33-
2 66.

3 *I Liheslaturan Guåhan* further finds that as of October 18, 2016, according to
4 the government of Guam financial management system, the AS400, the sum of Eight
5 Hundred Twenty-Four Million Nine Hundred Thirty-Eight Thousand Three
6 Hundred Eight Dollars (**\$824,938,308**) was collected in General Fund revenue in FY
7 2016. The adopted General Fund revenue in Public Law 33-66 was Eight Hundred
8 Twenty-Four Million Nine Hundred Ninety-Eight Thousand Two Dollars
9 (**\$824,998,002**) which represents a variance of *only* Fifty-Nine Thousand Six
10 Hundred Ninety-Four Dollars (**\$59,694**) or seven thousandths of a percent (0.007%).

11 As a result of the government of Guam collecting over ninety-nine and ninety-
12 nine hundredths percent (99.99%), there remains over Thirteen Million Five
13 Hundred Thousand Dollars (**\$13,500,000**) available to appropriate toward
14 liquidating obligations for such things as vendor payables.

15 *I Liheslaturan Guåhan* further finds that *I Maga'låhen Guåhan*, in his
16 Executive Budget Request for FY 2016, requested an appropriation of Twenty-Four
17 Million Two Hundred Five Thousand Nine Hundred Eighty-One Dollars
18 (**\$24,205,981**) for Retiree Medical, Dental, and Life insurance premiums and that *I*
19 *Liheslatura* appropriated the exact same amount as requested by *I Maga'låhen*
20 *Guåhan* in Public Law 33-66.

21 *I Liheslaturan Guåhan* further finds that as a result of increased retiree
22 premiums in FY 2016, a spending/appropriation authority shortfall has been
23 estimated by the Department of Administration of approximately Thirteen Million
24 Eight Hundred Thousand Dollars (**\$13,800,000**). *I Liheslatura* understands that the
25 Director of Administration has stated that cash is not an issue, rather
26 spending/appropriation authority is all that is necessary to be able to expend
27 government funds to cover this shortfall.

1 Therefore, it is the intent of *ILiheslaturan Guåhan* to appropriate the available
2 sum from the FY 2016 two percent (2%) General Fund reserve revenues that remains
3 unappropriated toward the payment of FY 2016 retiree medical, dental, and life
4 insurance premiums.

5 **Section 2. Appropriation for Retiree Medical, Dental, and Life**
6 **Insurance Premiums in FY 2016.** The sum of Thirteen Million Five Hundred
7 Twelve Thousand Five Hundred Ninety-Five Dollars (**\$13,512,595**) is hereby
8 appropriated from FY 2016 General Fund revenues to the Government of Guam
9 Retirement Fund for the sole purpose of paying retiree group medical and dental
10 insurance premiums and coverage and life insurance subsidy for Judiciary of Guam
11 retirees, to continue existing programs currently contained in the semi-monthly
12 payments. The appropriation in this Section *shall not* lapse and *shall* continue in FY
13 2017.

14 **Section 3.** Section 6 of Chapter XI, Public Law 33-66, as *amended* by
15 Section 18 of Chapter XII, Public Law 33-185, is further *amended* to read:

16 “**Section 6. Retiree Medical, Dental and Life Insurance Expenses**
17 **Appropriated to the Government of Guam Retirement Fund (GGRF).** The
18 sum of Twenty-Three Million Five Thousand Nine Hundred Eighty-One
19 Dollars (**\$23,005,981**) is appropriated from the General Fund, and One Million
20 Two Hundred Thousand Dollars (**\$1,200,000**) is appropriated from the Section
21 2718 Fund to the GGRF to pay for retiree group medical and dental insurance
22 premiums and life insurance subsidy, including retiree group medical and
23 dental insurance premiums and coverage and life insurance subsidy for
24 Judiciary of Guam retirees, to continue existing programs currently contained
25 in the semi-monthly payments. The appropriation from the unappropriated fund
26 balance of the Section 2718 Fund in this Section *shall* continue to be available
27 until fully expended. In addition to General Fund transfer authority authorized

1 in Section 9, Chapter XIII of this Act, *I Maga'låhen Guåhan* is authorized to
2 transfer *up to* Six Hundred Thousand Dollars (**\$600,000**) from General Fund
3 appropriations in Part IV of Chapter II, Parts II, III, and IV of Chapter III, and
4 Chapter V to cover government of Guam retiree medical, dental, and life
5 insurance expenses for FY 2016. Such transfer pursuant to this Section *shall* be
6 reported to the Speaker of *I Liheslaturan Guåhan* no later than five (5) calendar
7 days after such transfer is made. Such report *shall* include the amount
8 transferred, the agency, division, program, and AS400 account number from
9 which such appropriation was transferred.”

10 **Section 4.** Section 8 of Chapter I, Public Law 33-66, as *added* by Section 17
11 of Chapter XII, Public Law 33-185, is *amended* to read:

12 “**Section 8. Excess Section 30 Fund Revenues.** Notwithstanding §§
13 22903 and 22904, Article 9, Chapter 22, Title 5, Guam Code Annotated, and
14 any other provision of law, rule, or regulation, any Section 30 Funds received
15 by the government of Guam during Fiscal Year 2017 above the sum of
16 Seventy-Four Million Nine Hundred Thousand Two Hundred Ninety Dollars
17 (**\$74,900,290**) is hereby appropriated to the Rainy Day Fund (Article 9,
18 Chapter 22, Title 5, Guam Code Annotated) for the *sole* purpose of
19 establishing a cash contingency account for the government of Guam bi-
20 weekly payroll and cost of living allowance cash shortfalls, and *shall* continue
21 to be available.

22 Notwithstanding §§ 22903 and 22904 of Article 9, Chapter 22, Title 5,
23 Guam Code Annotated, the Director of Administration: (1) *shall* establish a
24 separate and restricted bank account solely for the Rainy Day Fund; (2) *shall*
25 deposit the cash from excess Section 30 Funds received in accordance with
26 this Section *no later than* three (3) days after receipt of said funds; and (3)
27 *shall not* withdraw, expend, transfer, or otherwise displace any cash from the

Line Item Veto agk

1 Rainy Day Fund deposited pursuant to this Section *unless* otherwise
2 authorized by this Section. Notwithstanding any other provision of law, *I*
3 *Maga'lahen Guåhan* shall not authorize the withdrawal, expenditure, or
4 transfer of any cash deposited into the Rainy Day Fund pursuant to this
5 Section *unless* an Executive Order is issued and delivered to the Speaker of *I*
6 *Liheslaturan Guåhan* declaring an emergency relative to the need to utilize
7 such cash contingency for: (1) bi-weekly payroll for the government of Guam
8 employees; or (2) payment of Fiscal Year 2017 retiree medical, dental, and
9 life insurance expenses. Such Executive Order *shall* include the details of such
10 emergency declared and the specific use of the cash deposited into the Rainy
11 Day Fund. The Executive Order *shall* include a certification from the Director
12 of Administration on the proposed withdrawal, transfer, or expenditure from
13 the Rainy Day Fund. The Rainy Day Fund *shall* be replenished by the
14 government of Guam by the end of the fiscal year in which such withdrawal,
15 transfer, and/or expenditure occurred including any interest, penalties, or fees
16 due to the withdrawal, if such withdrawal was made for the purposes of bi-
17 weekly payroll for government of Guam employees. It *shall* be a ministerial
18 duty of the Director of Administration to adhere to the requirements in this
19 Section.”

20 **Section 5. Construction.** *I Liheslaturan Guåhan* finds that nothing in this
21 Act shall be construed as conflicting with the command in 5 GCA § 22401 respecting
22 expenditures in excess of appropriated amounts. Moreover, nothing in this Act shall
23 be construed as legislative ratification of, or concurrence with, the Fiscal Year 2017
24 group health insurance contract for government of Guam employees and retirees,
25 and foster children.

26 **Section 6. Effective Date.** This Act *shall* become effective upon
27 enactment.

1 **Section 7. Severability.** *If* any provision of this Act or its application to
2 any person or circumstance is held invalid, the invalidity *shall not* affect other
3 provisions or applications of this Act that can be given effect without the invalid
4 provision or application and to this end the provisions of this Act is severable.
