2015 (FIRST) Regular Session

Bill No. 104-33 (LS)

Introduced by:

2015 MAY 27 PM 2:21 *JK*

AN ACT TO REPEAL 19GCA CHAPTER 22; TO REPEAL 5GCA §3120 AND ADD A NEW ARTICLE 3 TO 22GCA DIVISION 1 CHAPTER 1 DEPARTMENT OF LABOR.

BE IT ENACTED BY THE PEOPLE OF GUAM:

Section 1. Legislative Findings and Intent. *I Liheslaturan Guåhan* finds that the Guam Department of Labor's purpose is to foster, promote and develop the welfare of wage earners on Guam, to improve their working and living conditions, and to advance their opportunities for occupational training and profitable employment. Further, the Agency for Human Resource Development (AHRD) is responsible for the coordination of manpower needs, assessment and employment programs funded under the provisions of local and federal statutes as well as to administer workforce development programs and to seek, apply and otherwise obtain federal, private and other funds for use in manpower and other programs. *I Liheslaturan Guåhan* further finds that responsibilities of the Department of Labor and of AHRD seem to overlap in areas related to employment assessment and training. In other jurisdictions and in the federal system, the Department of Labor tends to be the lead umbrella agency for all manpower development, employment assistance and work related regulatory enforcement. *I Liheslaturan*

1 *Guåhan* believes that a more cohesive and focused effect may be gained by manpower and
2 employment programs being administered under one department. The Governor, in Executive
3 Order 2015-01, has moved in this direction by placing AHRD under the administrative
4 supervision of the Department of Labor. It appears that previous legislatures envisioned the
5 need to change the nature of AHRD by including a provision in law which causes AHRD to
6 cease to exist if the agency... “is not selected or authorized to administer any federal or local
7 programs...”. The transfer of administrative supervision of AHRD to the Department of Labor
8 may be construed by some as AHRD no longer being authorized to administer federal programs
9 on its own, thus ceasing to exist under statute. However, such programs still exist under the
10 administration of the Department of Labor so the resources possessed by AHRD may be needed
11 by the Department to continue providing the services funded by those federal programs. To
12 ensure that existing employees of AHRD are minimally impacted, *I Liheslaturan Guåhan* finds
13 that establishing a corresponding division within the Department of Labor is appropriate to
14 receive such resources.

15 **Section 2. 19GCA CHAPTER 22 is hereby repealed.**

16 **Section 3. 5GCA §3120 is hereby repealed.**
