# I MINA' TRENTAI TRES NA LIHESLATURAN GUÅHAN 2016 (SECOND) REGULAR SESSION

Bill No. 266-33 (LS)

Introduced by:

Michael F.Q. San Nicolas

AN ACT TO AMEND 4 GCA §§ 8208 AND 8209, TO AMEND THE NEW §8507 WHICH IS ADDED TO 4 GCA BY SECTION 3 OF BILL NO. 2-33 (LS), AND TO ADD A NEW ARTICLE 6 TO CHAPTER 8, TITLE 4, GUAM CODE ANNOTATED; RELATIVE TO CREATING A NEW RETIREMENT PLAN ONCE EMPLOYEES BECOME ELIGIBLE FOR SOCIAL SECURITY OLD AGE, SURVIVORS, AND DISABILITY INSURANCE ("OASDI"), PROVIDING FOR A BALANCE RETIREMENT PLAN ("GUAM RETIREMENT WITH SECURITY PLAN") BENEFITS AT EQUIVALENT TO SOCIAL SECURITY OASDI, PROVIDING MATCHED EMPLOYEE CONTRIBUTION RATES OF SIX AND TWO-TENTHS PERCENT (6.2%) FOR THE DEFINED CONTRIBUTION PLAN AND **GUAM** RETIREMENT SECURITY PLAN. PROVIDING FOR AN EMPLOYEE CONTRIBUTION RATE OF SIX AND TWO-TENTHS PERCENT (6.2%) FOR THE HYBRID RETIREMENT PLAN, CREATING MANDATORY EMPLOYEE CONTRIBUTION RATES OF ONE PERCENT (1%) TO THE DEFERRED COMPENSATION PROGRAM FOR THE NEW RETIREMENT PLAN ONCE EMPLOYEES BECOME ELIGIBLE SOCIAL SECURITY OASDI, DEFINED CONTRIBUTION PLAN, HYBRID RETIREMENT PLAN, AND RETIREMENT SECURITY PLAN, AND PROVIDING FOR REAMORTIZATION OF THE ACTUARIALLY ACCRUED UNFUNDED LIABILITY OF THE DEFINED BENEFIT PLAN.

#### BE IT ENACTED BY THE PEOPLE OF GUAM:

Section 1. Short Title. This Act shall be cited as the "Guam Retirement

2 Security Act."

Section 2. Legislative Findings and Intent. I Liheslaturan Guåhan finds
that a good retirement system will provide a decent floor of benefits to members,
while not imposing a potentially large unfunded retirement liability on future
taxpayers. The participation by the government of Guam in the Social Security old
age, survivors and disability insurance (OASDI) would provide such a benefit floor
while ensuring that the government of Guam does not experience an unanticipated
unfunded retirement liability.

I Liheslaturan Guåhan finds that under current federal law, prospective Government of Guam employees can not earn Social Security OASDI benefits from their service to the Government of Guam.

It is therefore the intent of *I Liheslaturan Guåhan* to provide for:

- (a) a retirement plan for employees after Social Security becomes available for prospective employees,
- (b) a Guam Retirement Security Plan, which provides the same rates of contributions and at least equivalent benefits to members upon retirement, as Social Security OASDI for all new Government of Guam employees, and
  - (c) a Hybrid Retirement System for existing employees.

It is further the intent of *I Liheslaturan Guåhan* to provide for uniform employee rates of contribution of six and two-tenths percent (6.2%), aligned with the payroll tax rates under Social Security OASDI, for each of the Defined Contribution Retirement System, the Hybrid Retirement System, and the Guam Retirement Security Plan, and for a mandatory employee rates of contribution of one percent (1%) for the Deferred Compensation Program for each such plan.

# Section 3. Retirement Plan Following Social Security Authorization.

(a) Coverage.

(1) New Employees. From the effective date of coverage of employees of the Government of Guam under Social Security Old Age,

Survivors, and Disability Insurance ('Social Security'), all new employees of the Government of Guam whose employment commences on or after such date *shall* participate in Social Security and no additional new employees *may* be admitted to the Defined Benefit System, the Defined Contribution Retirement System, or the Guam Retirement Security Plan.

The same

- (2) Employees Authorized to Participate in Social Security. From the effective date of the negotiated coverage of employees of the Government of Guam under Social Security Old Age, Survivors, and Disability Insurance ('Social Security'), such employees of the Government of Guam who become eligible for Social Security at that time, *may* or *shall*, as required by the Social Security Administration, participate in Social Security, subject to the terms and conditions for such coverage. Such employees shall retain all employment rights, including but not limited to rights and privileges extended to such employee by reason of their seniority in government service.
- (b) Contributions to the Deferred Compensation Program. From the effective date of coverage of an employee of the Government of Guam under Social Security Old Age, Survivors, and Disability Insurance ('Social Security'), a Government of Guam employee who is covered under Social Security Old Age, Survivors, and Disability Insurance ('Social Security') *shall*, from the date of such coverage, make a mandatory contribution to a Deferred Compensation Program administered by the Government of Guam Retirement Fund of one percent (1%) of the employee's base pay. Such reductions from base pay, although designated as member contributions, shall be deducted from the employee by the employer at the normal payroll intervals, shall be paid by the employer, and shall be remitted within five (5) working days to the insurance, annuity, mutual fund, or other qualified company or companies designated by the board to administer the

operations of the Deferred Compensation Program. In addition, such employee may make such voluntary contributions, consistent with applicable laws, to such employee's Deferred Compensation Program account.

#### Section 4. Defined Contribution Plan.

- (a) Notwithstanding any other provision of law, the five percent (5%) member and employer contribution rates established in 4 GCA §§ 8208 and 8209 shall be amended to six and two-tenths percent (6.2%) effective January 1, 2017.
- (b) Contributions to the Deferred Compensation Program. Effective January 1, 2017, a Government of Guam employee who is covered under the Defined Contribution Retirement System shall, from the date of such coverage, make a mandatory contribution to a Deferred Compensation Program administered by the Government of Guam Retirement Fund of one percent (1%) of the employee's base pay. Such reductions from base pay, although designated as member contributions, shall be deducted from the employee by the employer at the normal payroll intervals and shall be remitted within five (5) working days to the insurance, annuity, mutual fund, or other qualified company or companies designated by the board to administer the operations of the Deferred Compensation Program. In addition, such employee may make such voluntary contributions, consistent with applicable laws, to such employee's Deferred Compensation Program account.

#### Section 5. Hybrid Retirement Plan.

(a) Notwithstanding any other provision of law, when Bill No. 2-33 (LS) is enacted into law, the new §8507 which is added to 4 GCA by Section 3 of Bill No. 2-33 (LS) is hereby amended, to read:

# "Section 8507. Hybrid Plan Member Contributions to Fund.

The member contribution provisions under Section 8136 or other successor provision shall be applicable to Each member of the Hybrid Plan

shall contribute six and two tenths percent (6.2%) of the base pay earned and accruing to such member members in a manner no different than the application to members who are not Hybrid Plan members. However, notwithstanding that the contributions by Hybrid Plan members are designated as member contributions and shall be administered as member contributions under Section 8136, such contributions shall be on a mandatory basis deducted from the member's base salary and paid by the employer in lieu of contributions by the member, and shall constitute pre-tax 'pick-up' employer contributions for purposes of determining the income tax treatment of such contributions under Section 414(h) of the United States Internal Revenue Code."

(b) Contributions to the Deferred Compensation Program. As provided in Bill No. 2-33 (LS), effective January 1, 2017, a Government of Guam employee who is covered under the Hybrid Retirement System shall, from the date of such coverage, make a mandatory contribution to a Deferred Compensation Program administered by the Government of Guam Retirement Fund of one percent (1%) of the employee's base pay. Such reductions from base pay, although designated as member contributions, shall be deducted from the employee by the employer at the normal payroll intervals and shall be remitted within five (5) working days to the insurance, annuity, mutual fund, or other qualified company or companies designated by the board to administer the operations of the Deferred Compensation Program. In addition, such employee may make such voluntary contributions, consistent with applicable laws, to such employee's Deferred Compensation Program account.
